

Lower Fox River Eutrophication Working Group  
November 10, 2015, 1-3:30 p.m.

Meeting Room D, Outagamie County UW Extension office,  
3365 W. Brewster St., Appleton, WI 54914

Invited attendees: Greg Baneck (Outagamie Co); Tony Reali (Calumet Co); Mike Mushinski (Brown Co); Tom Davies (Winnebago Co); Barry Bubolz (NRCS); Jessica Schultz (FWWA); Keith Marquardt (WDNR); Kendra Axness (WDNR); Megan O'Shea (WDNR)

**Charge to the group:** Develop some options for an achievable Area-of-Concern approach with regard to the eutrophication impairment (e.g., pounds of phosphorus reduced/year); and from those options, determine the resources and time that would be associated with each.

### Agenda

#### Topics

1. Review overall goals/charge of working group
2. Review "ranking of rankings" for subwatersheds
3. Begin discussion of time frames and approach for potential AOC resources
