Meetings

January 4 - 12:30-4 p.m.

Alternative Practices workgroup

Kewaunee County Land and Water Conservation Department, 625 Third St.
Luxemburg, Wisconsin 54217 (Kewaunee County)

Contact: [Russ Rasmussen](#), 608-264-6278

Detailed information: The subject of the meeting is as follows: Identify and investigate alternative technologies and practices that may be applied to further reduce the risk of groundwater contamination in sensitive areas of Kewaunee county and the state - focusing on karst geology overlain by shallow soils; continue discussions regarding issues raised in the Sensitive Areas / Best Management Practices Work Group that were not resolved; evaluate the effectiveness of practices being applied in sensitive areas and suggest alternatives if necessary; and evaluate and suggest additional research that may be warranted to better derive effective solutions to reduce the risk of groundwater contamination in sensitive areas.

January 5 – 9-10:30 a.m.

Waste and Materials Management (WMM) Study Group - Recycling Innovations Subgroup

Phone in (see detailed information), (Conference Call County)

Contact: [Jennifer Semrau](#), 608 267-7550

Detailed information: The [Recycling Innovation subgroup](#) meeting will focus on clarifying the group's goals, criteria for innovation, defining a more sustainable recycling system and discussing the different definitions of recycling. For call-in information, please contact Jennifer Semrau at jennifer.semrau@wisconsin.gov.
