

Recycling & Waste Reduction Publications

SPRING 2016

PUB WA-1512

The DNR offers waste reduction and recycling publications in two formats: electronic and printed. Many publications are available electronically on the DNR website. To find them, go to dnr.wi.gov Search: Recycling publications. These publications may be printed and used as needed.

The publications listed below are available to order in print format. Please indicate how many of each publication you would like (no more than 100 copies per publication) in the space next to the publication.

Please complete the information requested on the back of this page for mailing purposes. Your materials will be shipped UPS, so **no P.O. Boxes**, please.

** Starred publications are also available in electronic format. See dnr.wi.gov Search: Recycling publications*

DID YOU KNOW?
If we recycled all the cell phones retired each year, we would save enough energy to power 18,500 homes for a year.
