

REFORESTATION AND FORESTRY MANAGEMENT INFORMATION

Successful tree planting requires completion of the necessary site preparation work prior to planting and the selection of the appropriate tree species. DNR foresters are an excellent source of information regarding species selection for your planting site, available cost sharing programs for tree planting, site preparation techniques, tree planter rental, development of management plans for your property, forestry tax law programs and other forest management topics. The addresses and phone numbers of Department of Natural Resources foresters are furnished on page 4.

APPLICATION INSTRUCTIONS

For up-to-date information on planting, species availability, cost sharing, and on-line ordering, visit us on the web at: <http://dnr.wi.gov/forestry/Nursery/Order/index.htm>. For species availability information call 1-800-875-9050.

1. Legibly print your name, address, phone number, method of delivery, county and legal description where trees will be planted. (Look in your tax receipt if you don't know the section, township and range or call the county clerk of records.) Failure to supply this information will result in the return of this application for completion and possible loss of desired planting stock because of the delay.

2. A **minimum order** must consist of a total of 1000 tree seedlings or 500 shrubs or one packet. Trees and shrubs may be purchased in increments of 100 of each species.

3. An **ungraded (bulk) order** must consist of at least 3,000 trees of one species and age (no ungraded orders will be accepted for black walnut or wildlife shrubs). Bulk shipments are discount priced because these orders are not counted or graded at the nursery. The number of trees shipped for ungraded orders are based on bed-run inventories. Consequently, an ungraded order may contain 10% more or less than the number of seedlings ordered. These orders should be graded before planting according to the guidelines below. It is recommended that the 'cull' seedlings not be planted because of reduced survival and growth.

4. A 5 1/2% sales tax must be added to the nursery stock prices. If the seedlings are being used for silviculture purposes then your purchase may be tax exempt. Please complete Department of Revenue form 211 which can be downloaded from <http://revenue.wi.gov/forms/sales/s-211.pdf> and submit it with your application for tax exemption.

5. PAYMENT FOR ORDERS SUBMITTED BY JANUARY 31: DO NOT SEND MONEY with your application. A billing invoice and order confirmation will be mailed to you. **If payment is not received within 30 days of the invoice date, your order will be cancelled.** Orders larger than \$1000.00 will be billed for the entire amount; however these customers have the option of making full payment or a 25% down payment (maximum down payment of \$500.00), with the balance due by March 15. Trees will not be shipped prior to receiving final payment.

PAYMENT FOR ORDERS SUBMITTED ON OR AFTER FEBRUARY 1: FULL PAYMENT MUST ACCOMPANY your application. Make check or money order payable to the Department of Natural Resources. Cash will not be accepted. Your canceled check will be your only receipt. An order confirmation will be mailed to you. Checks returned for non-sufficient funds will be assessed a \$20 fee. Refunds of less than \$25 will not be made unless requested by phone or in writing by the purchaser.

6. Mail your application to: Griffith Nursery, 473 Griffith Avenue, Wisconsin Rapids, WI 54494.

Grading Guidelines:

These general guidelines are used to grade tree orders and should be followed by landowners purchasing ungraded stock. Some variation of these guidelines from species to species may exist. Consult your local forester or nursery for further information.

	Minimum Height From Root Collar to Bud	Minimum Root Length
1-0 Conifers	2 1/2"	6"
2-0 Conifers	3-4"	6-8"
3-0 Conifers	5-6"	8"
1-0 Hwds	5-6"	8"

AGREEMENT - PLEASE READ CAREFULLY

As applicant I agree:

1. Not to sell this stock; I'm aware that violation of this clause is punishable by a forfeiture of not more than \$100.00 as provided in s. 28.06, Wis. Stats.
2. That this stock will not be used for decorative, ornamental, landscaping purposes or Christmas trees and am aware that violation of this clause is punishable by a forfeiture of not more than \$500.00 as provided in s. 28.06, Wis. Stats.
3. Not to harvest or remove trees after planting until they are large enough to be sold or utilized as cut merchantable forest products, or as an approved precommercial thinning. No trees may be removed from a plantation with roots attached for resale.
4. To protect the area planted from fire and grazing.
5. That a claim for adjustment regarding shortages or quality of stock must be made within ten days of delivery with the local DNR forester.
6. That cancellation of an order after March 1 will be at the discretion of the seller.
7. That I am responsible for payment at the rates established by the Department.
8. To comply with all the rules and statutes applicable to the obtaining, use, and disposition of this forestry stock.

Hardwood Forest	221.00	Songbird Habitat	158.00	

* All white spruce grown from improved seed sources.

WISCONSIN DEPARTMENT OF NATURAL RESOURCES FORESTERS (Revised 7-09)

(*) These counties provide a delivery service from the state nursery to a central point within the county on prescheduled dates. If you indicate county truck, the **local DNR forester** will notify you when and where to pick up your trees. There will be a small charge to cover the cost of this service. If you miss the pickup date you may be required to go to the designated nursery during regular business hours to get your trees.
