Wisconsin DNR 2009 Forest Tax Law Printout Price Lists

You recently requested information about land enrolled under either the Forest Crop Law or the Managed Forest Law. Forest Croplands are open to the public for hunting and fishing. Lands enrolled in the "Open" category of the Managed Forest Law are available to the public for hunting, fishing, hiking, sight-seeing, and cross-country skiing. (Under the Managed Forest Law, the landowner has the choice to enroll the land as open or closed to the public. Higher property taxes are paid on closed lands. It is the landowner's responsibility to post closed lands.)

Although you need not ask permission to go onto Forest Croplands or open Managed Forest Lands, please respect the landowners' rights. Vehicular access does not have to be granted. Do not litter or damage the property. If the landowner has identified access lanes, stay on the lanes and be sure to close gates. As a courtesy to the landowner, you may wish to let the owner know if you will be on the property, especially if the landowner lives near the site.

Printouts offered by the DNR show only survey descriptions. To make sense out of the lists, you will need plat books, which map ownership boundaries, roads, rivers, lakes, and some other physical land features. Plat books are available at county clerk offices. Most Wisconsin plat books are also published by Rockford Map Inc., P.O. Box 6126, Rockford, IL 61125, and Accurate Publishing & Printing Inc., P.O. Box 389, Battle Lake, MN 56515. (The plat books for each county cost between $45.00 and $50.00 each.)
