SUBJECT: Cooperating Forester Application

Thank you for your interest in the Wisconsin Cooperating Forester Program. I've enclosed the application and agreement forms. Please read the Cooperating Forester Agreement. Note that Cooperators must agree to abide by DNR approved sound forestry standards in all forest management guidance and timber harvesting assistance that they provide.

Applications are accepted continuously. Complete and sign both the application and agreement and return them to me. I will add your contact information to the online Directory of Foresters. To remain in the program and to have your contact information published in the printed directory, you must reapply annually in October and provide the required accomplishment reports.

Please contact me if you have any questions.

Sincerely,

Carol Nielsen  
Private Forestry Specialist  
Bureau of Forest Management
