

Brule River State Forest

Jersett Rd. Pine
T45N R11W Sec. 1, 2

TRACT # 1-04

-  Marked Pine Thinnings
-  Town Roads
-  Woods Roads
-  Snowmobile Trail
-  Private Property

- 1.) All individual trees marked with orange paint are to be cut. Trees containing one or more 100" sticks to a 4" minimum top are to be utilized.
- 2.) All trees are to be limbed and bucked at the stump, damage to residual trees will not be allowed.
- 3.) Between May 15 and August 15 all cut pine products must be hauled from the site within 2 weeks of felling to prevent bark beetle infestations.
- 4.) Existing woods roads will be utilized. No hauling on snowmobile trail between December 15 and March 15.
- 5.) Landings are to be pre-approved by BRSF staff.
- 6.) Contract length shall be for two years.
- 7.) Minimum bid is \$24,800

Total Acreage: 129
Total Volume: 630 cds. Red Pine
