### "Invasive Plants 911" for Wisconsin

Based on their invasive behavior in other states and provinces, these six target plants in particular are the ones we are most concerned about. Let us know right away if they have been found in the state.

- Japanese stilt-grass
- Hydrilla
- European frog-bit
- Swallow-wort
- Water chestnut
- Giant hogweed

**Notice:** Information provided on this form will be used in a statewide volunteer effort to locate, eradicate and monitor selected invasive plants. Your cooperation in reporting these species is much appreciated. Personally identifiable information collected on this form may be provided to requesters as required by Wisconsin's Open Records law [ss. 19.31 - 19.39, Wis. Stats.]. This form is equivalent to DNR form 1700-056.
