(To the tune of “ If You’re Happy and You Know It”)  
Words and actions by Judy Ruch

Clean your boat before it goes into the lake – (Clap, clap)  
Clean your boat before it goes into the lake – (Clap, clap)  
Take weeds off the boat, (Pull off imaginary weeds)  
Wash it well before it floats, (Pretend to use a hose to wash)  
And the lakes will be beautiful for us. (Point to self.)

Throw old bait in the trash and not the lake – NO, NO (shake index finger)  
Throw old bait in the trash and not the lake - NO, NO (shake index finger)  
Don’t put it in the lake  
Or trouble it will make  
We want the lakes to be beautiful for us. (Point to self.)

Tell everyone you know to clean their boat – HURRAH!  
Tell everyone you know to clean their boat – HURRAH!  
Tell your fathers and your mothers,  
Uncles. aunts, sisters, and brothers.  
And the lakes will be beautiful for us ALL !!!! (shout ALL – point to all of us.)
