

## Public Notice of an Air Pollution Permit Application Review

### Facility Description.

Superior Silica Sand - Barron Plant, located at 1058 US Highway 8, Barron, Barron County, Wisconsin, FID 603108330, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for proposed modifications of the FLS Mine Wet Plant and LP Mine Wet Plant and the operation of an industrial sand processing facility.

Air Pollution Control Construction Permit No. 13-MHR-207

Air Pollution Control Operation Permit 603108330-P01, a Part 70 permit.

### Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; Northern Region Air Program, Cumberland Area Office, 1341 2nd Avenue, P.O. Box 397, Cumberland, WI 54829, tel. (715) 822-2749; West Central Region Air Program, La Crosse Area Office, 3550 Mormon Coulee Road LaCrosse, WI 54601; and at the Barron City Library, 10 North 3<sup>rd</sup> Street, Barron, WI 54812; or contact Michael Ross at (608) 785-9973 or by e-mail at michael.ross@wisconsin.gov. This information is also available for downloading from the Internet at [http://dnr.wi.gov/cias/am/amexternal/AM\\_PermitTrackingSearch.aspx](http://dnr.wi.gov/cias/am/amexternal/AM_PermitTrackingSearch.aspx).

The department has made the determination under ch. NR 150, Wis. Adm. Code, that this type of proposal normally does not have the potential to cause significant adverse environmental or secondary effects. This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

The DNR published a public notice on May 28, 2014 at [http://dnr.wi.gov/cias/am/amexternal/public\\_notices.aspx](http://dnr.wi.gov/cias/am/amexternal/public_notices.aspx) and in the Wisconsin State Journal.

A request was received on June 14, 2014 by the DNR to hold a public hearing on the proposed project.

### Public Hearing.

NOTICE IS HEREBY GIVEN that, pursuant to ss. 285.13(1), 285.61(7) and 285.62(5), Wis. Stats., DNR will hold a public hearing to receive public comments on the air pollution control permit application submitted by Superior Silica Sand - Barron Plant

NOTICE IS FURTHER GIVEN that the public hearing will be held:

Wednesday, July 2, 2014 at 6:00 PM  
Barron County Courthouse Auditorium  
335 East Monroe Avenue  
Barron, Wisconsin 54812

All comments received by the DNR at the public hearing will be considered prior to making a final decision regarding the proposed project. After the public hearing, a final decision will be made on whether to issue or deny the air pollution control construction permit. If you would like a copy of the final determination, contact Mr. Michael Ross of DNR, West Central Region Air Program, La Crosse Area Office, 3550 Mormon Coulee Road LaCrosse, WI 54601, or by telephone at (608) 785-9973.

Information on the public commenting and hearing process is available at <http://dnr.wi.gov/topic/AirPermits/Process.html>.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.
