

Public Notice of an Air Pollution Permit Application Review

Facility Description.

Superior Silica Sand - Arland Plant, located at 617 8th Avenue, Village of Clayton, Barron County, Wisconsin, FID 603110860, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for a new dry sand processing plant and incorporation of three existing mines and wet plants into the proposed permit.

Air Pollution Control Construction Permit No. 14-MHR-069

Air Pollution Control Operation Permit No. 603110860-P01, a Part 70 permit.

Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; Northern Region Air Program, Cumberland Area Office, 1341 2nd Avenue, P.O. Box 397, Cumberland, WI 54829, tel. (715) 822-2749; West Central Region Air Program, La Crosse Area Office, 3550 Mormon Coulee Road LaCrosse, WI 54601; and at the Barron City Library, 10 North 3rd Street, Barron, WI 54812; or contact Michael Ross at (608) 785-9973 or by e-mail at michael.ross@wisconsin.gov. This information is also available for downloading from the Internet at http://dnr.wi.gov/cias/am/amexternal/AM_PermitTrackingSearch.aspx.

The department has made the determination under ch. NR 150, Wis. Adm. Code, that this type of proposal normally does not have the potential to cause significant adverse environmental or secondary effects. This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Registration operation permit # 603109870-R0PA for one of the three existing mines and wet plants will be revoked as part of this construction permit.

Public Hearing.

NOTICE IS HEREBY GIVEN that, pursuant to ss. 285.13(1), 285.61(7) and 285.62(5), Wis. Stats., DNR will hold a public hearing to receive public comments on the air pollution control permit application submitted by Superior Silica Sand - Barron Plant

NOTICE IS FURTHER GIVEN that the public hearing will be held:

Thursday December 4, 2014, 1:00 PM
Barron County Courthouse, Room 110
335 East Monroe Avenue
Barron, Wisconsin 54812

All comments received by the DNR at the public hearing will be considered prior to making a final decision regarding the proposed project. After the public hearing, a final decision will be made on whether to issue or deny the air pollution control construction permit. If you would like a copy of the final determination, contact Mr. Michael Ross of DNR, West Central Region Air Program, La Crosse Area Office, 3550 Mormon Coulee Road LaCrosse, WI 54601, or by telephone at (608) 785-9973.

Information on the public commenting and hearing process is available at <http://dnr.wi.gov/topic/AirPermits/Process.html>.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.
