

Deer Management Assistance Program

Antlerless Tag Tracking Sheet

This form should be used to track the transfer of antlerless harvest tags issued through the Deer Management Assistance Program. Antlerless tags are only valid on the DMAP property identified below and may only be used during a legal deer hunting season. Tags may be sold for no more than face value cost of the tag (\$6 each). Landowners are required to maintain current records of tag transfers and to produce this sheet at the request of the Department. This sheet authorizes individuals listed below to enter upon the DMAP enrolled property and certifies that they have reviewed and agree upon the conditions of DMAP.
