

Thank you again for your interest in the Wisconsin Deer Management Assistance Program (DMAP). Your DMAP application for the 735.98 acre property in Juneau county has been approved and you are ready to begin the next steps!

What's next?

- Log into [MyDMAP](#) and verify all landowners by answering the 'Are all landowners listed for this DMAP Application?' question in the Account Overview Section. All landowners, including properties with joint ownership, must be listed in your MyDMAP account.
- After you verify that all landowners are listed, they will receive an email with instructions on how to electronically sign a landowner agreement.
- Pay your \$150 DMAP enrollment fee at a DNR license vendor or on the DNR web page, keyword: license. If paying enrollment fees via the Wisconsin Online Licensing Center, add the DMAP fee to your shopping cart by clicking on the Deer - Applications.
- After landowner agreements are signed and enrollment fees are paid, a DNR DMAP representative will contact you to schedule a site visit.
