

You are receiving this email because a DMAP application was submitted in the county you are responsible for. Keep this email for your future reference.

What's next?

- Please call all level 1 cooperators to introduce the programs and answer any questions.
- Guidance on approval status of level 2 and 3 applications will be provided by the DMAP coordinator.
- Level 2 and 3 applications should be reviewed and considered for enrollment in the order they are received.

How Can Check The Status?

Log into [MyDMAP](#) to review the application.
