

**Summary of Public Comments Received About Proposed Revisions to the
Original Program Guidance created for the *Motorized Stewardship Grant Program***

A. Overview

On Monday, March 2, 2015, the Department of Natural Resources (DNR) solicited comments about its revised *Motorized Stewardship Grant program*. The deadline for comments was midnight on March 20, 2015. No public comments were received.

B. Summary of Changes

Motorized Stewardship Guidelines with a revision date of March 2015 will be made final and posted on the DNR's Motorized Stewardship grant web page <http://dnr.wi.gov/Aid/MotorStew.html>

C. Communication Efforts

In addition to posting the draft revised Motorized Stewardship Grant program on the DNR's program guidance web page, this information was shared with the DNR regional grants staff who were encouraged to share with potential grant applicants.
