

**Eligibility Guidance: SCADA and Water Meters  
Clean Water Fund Program (CWFP) and Safe Drinking Water Loan Program (SDWLP)  
Summary of Changes Based on Public Comments**

Thank you to the individual that provided feedback on the Department of Natural Resources (Department) proposed program guidance titled “Eligibility Guidance: SCADA and Water Meters Clean Water Fund Program (CWFP) and Safe Drinking Water Loan Program (SDWLP)”.

One e-mail comment was submitted to the Department during the public comment period. The comment requested the department include a reminder in the policy that purchase of SCADA equipment would need to follow municipal procurement requirements. The Department modified the guidance to include that information.

The final guidance was issued on May 15, 2015.
