

**Summary of Public Comments Received About  
Department Proposal for development of a Program Guidance Document for the  
Public & Private Shooting Range Grant Program**

**A. Overview.** The Department of Natural Resources (DNR) received no public comments concerning our proposal to develop program guidance to aid grant applicants in completing the Public & Private Shooting Range grant application.

**B. Summary of Changes.** The DNR will use the Public & Private Shooting Range Program Guidance, as proposed.

**C. Other Comments.** None

**D. Communication Efforts.** The final Public & Private Shooting Range Program Guidance will be posted on the Shooting Range Grant Program webpage at <http://dnr.wi.gov/Aid/ShootingRange.html> . Posting of this program guidance will be publicized through a news release, to almost 1,000 subscribers through a DNR GovDelivery message.
