<b>White Lake Mgt Dist</b>	<b>Marquette</b>	<b>\$27,917</b>	<b>38.8%</b>	<b>\$38,749</b>	<b>yes</b>

\*The adjusted MHI for each of these municipalities cannot be determined without a breakdown of population between the counties in which the municipality is located. Under any population scenario, however, Krakow SD will not be below the 80% cutoff for various eligibility issues while both of the Lakeland SD #1s will meet this eligibility criterion.

**Note:** Adjusted MHI Cutoff (2006) = \$44,699.
