Project Sponsor	Project Name	County	DNR Reg	Regional Contact	Grant Amt (State Share)	Local Share	Project Desc
ADAMS COUNTY	Adams County Wolf Lake Boat Launch Repairs	Adams	WC	Beth Norquist, 715-839-3751	\$1,713.00	\$1,713.00	Adams County proposes to participate in the County Conservation Aids grant by improving the Wolf Lake Boat Launch on the south end of the lake. This project includes the following: removal of debris, excavation, & placement of concrete planks.
BAYFIELD COUNTY	Bayfield Co. - Twin Bear Lake ADA ramp and boardwalk	Bayfield	NO	Annie Loechler, 715-822-2758	\$6,500.00	\$6,500.00	Bayfield County proposes to construct an ADA ramp and boardwalk at the county park campground & public boat access. This ADA ramp and boardwalk will provide access to a new fishing pier as well as protect newly planted native vegetation. Vegetation will provide a buffer between land and water, which will help control shoreline erosion, protect water quality and stabilize lake bottom sediment. This project is part of a shoreline restoration project at the county campground.
BROWN COUNTY	Brown County Waterfowl Preserve Marsh Overlook	Brown	NE	Christine Halbur, 920-662-5121	\$1,200.00	\$1,200.00	Brown County will utilize County Conservation Aids funding to complete the boardwalk access to an existing marsh overlook.
BUFFALO COUNTY	Buffalo County - Swinn's Valley Creek Restoration #2	Buffalo	WC	Beth Norquist, 715-839-3751	\$1,899.00	\$1,899.00	Buffalo County proposes stabilization and riprap 3000 feet of Swinn's Valley Creek. They will also install 50 in-stream structures for fish habitat improvement. and one hibernacula.
BURNETT COUNTY	Burnett Co. - Jack Pine Planting & Seeding	Burnett	NO	Annie Loechler, 715-822-2758	\$2,348.00	\$2,348.00	This project is for the planting, seeding, and scarification of the Jack Pine timber type. The remainder of the funds will be used to seed and gate hunter/hiker trails as well as maintain them through mowing.
COLUMBIA COUNTY	French Creek Wildlife Area Grassland Enhancement	Columbia	SC	Sandy Chancellor, 608-275-7760	\$1,025.00	\$1,025.00	Columbia County, in partnership with WI DNR will participate in a grassland enhancement project at the French Creek Wildlife Area. Activities will include planting native grasses and treatment of invasive species spotted knapweed.
COLUMBIA COUNTY	Paradise Marsh Grassland Habitat	Columbia	SC	Sandy Chancellor, 608-275-7760	\$2,105.00	\$2,105.00	Columbia County will continue to restore a large grassland block near an even larger wetland complex. This project will remove large predator perch trees and apply spray to resprouting sumac, aspen and black locust. This will help to retain a declining habitat type and is aimed at promoting wild pheasant and waterfowl production.
COUNTY OF KEWAUNEE	Kewaunee County Krohn's Lake Pier and Ramp Improvements	Kewaunee	NE	Christine Halbur, 920-662-5121	\$13,026.00	\$13,026.00	Kewaunee County will utilize County Conservation Aids funding to make improvements to the fishing pier/boarding dock at the Krohns Lake County Park. The county will also add a new concrete launch ramp to the facility.
DANE COUNTY	Stewart Lake Park Handicapped Accessible Fishing Pier	Dane	SC	Sandy Chancellor, 608-275-7760	\$3,128.33	\$13,371.67	Dane County will use County Conservation Aids funds to build and place a handicapped accessible fish pier at Stewart Lake.

Program Grant Awards**

Project Sponsor	Project Name	County	DNR Reg	Regional Contact	Grant Amt (State Share)	Local Share	Project Desc
DANE COUNTY	Stewart Lake Park Upland Restoration	Dane	SC	Sandy Chancellor, 608-275-7760	\$5,000.00	\$27,300.00	Dane County will participate in the County Conservation Aids (CCA) grant program by using funds to augment past CCA project CC-7140. The County will begin the process in September 2011 by spraying existing site vegetation. Process will be repeated in May 2012 before final site preparation/seeding to follow.
DODGE COUNTY	Cambria Creek Fox Lake Bog Removal	Dodge	SC	Sandy Chancellor, 608-275-7760	\$2,500.00	\$2,500.00	Project will involve the removal of floating cattail bog that broke loose during 2008 flood and blocked Highway A bridge and river channel. Removal will allow boat access to marsh for hunting and fishing, and remove restriction to flow and fish migration.
DUNN COUNTY	Dunn County Cedar Falls Boat Landing Repairs	Dunn	WC	Beth Norquist, 715-839-3751	\$2,302.00	\$2,302.00	Dunn County proposes to participate in the County Conservations Aids to improve and repair the public access to the Red Cedar River at the Red Cedar Boat Landing. This will include the following: removal of asphalt, site prep, & paving new asphalt.
FLORENCE COUNTY	Florence Co. - Buckskin Hunter/Walking Trail	Florence	NO	Annie Loechler, 715-822-2758	\$2,648.00	\$2,648.00	Florence County Forestry proposes to expand and enhance two existing hunter/walking trails. These areas are known as the Buckskin and Kretz Hunter/Walking Trails. Work would be to reclaim approximately 9,000 feet of grown in trails/woods roads and develop approximately 1,800 feet of new trail which would connect current dead end stub trails.
FOREST COUNTY	Forest Co. - Mowing of county recreation trails	Forest	NO	Annie Loechler, 715-822-2758	\$3,673.50	\$3,673.50	Mowing of approximately 40 miles of county forest roads, hunter walking trails and wildlife openings to maintain and promote growth of Dutch White Clover by eliminating the encroachment of trees and weeds.
GREEN COUNTY	Muralt Prairie Restoration	Green	SC	Sandy Chancellor, 608-275-7760	\$1,563.00	\$1,563.00	Muralt Prairie is an outdoor laboratory and educational resource and to maintain the natural features and characteristics of the dry prairie and cedar glade communities, removal of undesirable species must be completed. Areas of undisturbed forest brush will be converted to prairie and will stimulate an increase in some state-threatened animal and plant species of concern.
GREEN LAKE COUNTY	GLC Dodge & Sunset Boat Launch Signs	Green Lake	NE	Christine Halbur, 920-662-5121	\$1,006.00	\$1,006.00	Green Lake County will utilize county conservation aids grant funding to create and post signs at Dodge Memorial and Sunset public boat launch areas. These signs will explain fees, ordinances, and develop awareness of aquatic invasive species countermeasures.
IOWA COUNTY	Iowa County Farm Pond Rehabilitation	Iowa	SC	Sandy Chancellor, 608-275-7760	\$4,080.00	\$8,920.00	Iowa County will repair the leaking dam and pond at the County Farm. Project will include grouting holes, putting in a new clay liner, reseeding bank and removal of some trees. Project activities will not begin until County has received DNR regulatory permits and approvals.

Project Sponsor	Project Name	County	DNR Reg	Regional Contact	Grant Amt (State Share)	Local Share	Project Desc
IRON COUNTY	Iron Co. - Spring Camp Falls Rd.	Iron	NO	Annie Loechler, 715-822-2758	\$2,468.00	\$2,468.00	This project will be for brushing and bulldozing on approximately 0.9 miles of Spring Camp Falls Rd. to bring it back to a useable condition for wildlife viewing, fishing and recreation.
JEFFERSON COUNTY	Dorothy Carnes County Park Woodlands Restoration #3	Jefferson	SC	Sandy Chancellor, 608-275-7760	\$1,560.00	\$3,440.00	Jefferson County Parks Department will continue to restore the woodlands at Dorothy Carnes County Park. Numerous plants and animal species will benefit as a result of efforts to restore these woodlands to its previous state.
JEFFERSON COUNTY	Dorothy Carnes County Park Woodlands Restoration Pt. 2	Jefferson	SC	Sandy Chancellor, 608-275-7760	\$2,500.00	\$7,500.00	Jefferson County will continue to restore the woodlands at Dorothy Carnes County Park. Numerous plant and animal species will benefit as a result of efforts to restore these woodlands to its previous state.
LAFAYETTE COUNTY	Pecatonica River Spawning Enhancement	Lafayette	SC	Sandy Chancellor, 608-275-7760	\$1,811.00	\$1,811.00	Lafayette County proposes to use County Conservation funds to cut openings in blockages of the Pecatonica River causing situations at critical spawning areas. The 2010 habitat work could not get all of the problem areas. Using boats and equipment from shore, an opening at the end of these blockages reduces back pressure, increases stream velocity and downstream flow of trapped sediment allowing migration of fish species and exposing rock bottom. Bass and walleye are expected to benefit from this management.
LANGLADE COUNTY	Langlade Co. - Beaver Damage Control-Trout & Wildlife Habitat	Langlade	NO	Annie Loechler, 715-822-2758	\$2,350.00	\$2,350.00	Improve and protect trout habitat; critical wildlife habitat, or wildlife improvements; such as, hunter walking trails and flowages from beaver activity. This project is part of a larger APHIS ADC beaver control project in Langlade County. Beaver will be removed and dams will be removed or blasted.
LINCOLN COUNTY	Lincoln Co. - Lake Access & Wildlife Habitat Improvement	Lincoln	NO	Annie Loechler, 715-822-2758	\$2,446.00	\$2,446.00	Improving the access roads and parking lots on small lakes will provide for lakebed stability, reduce erosion and sedimentation, and allow better access for people to use these landings. Hand release of white spruce cover will provide food, shelter, and habitat for various wildlife species. 1. Removing hand release of spruce clover from grant.
MANITOWOC COUNTY	Manitowoc County English Lake ADA Restroom	Manitowoc	NE	Christine Halbur, 920-662-5121	\$3,550.00	\$3,550.00	Manitowoc County will utilize County Conservation Aids funding to build an ADA accessible restroom at the English Lake public boat launch.
MARATHON COUNTY	Marathon County - Brighton Township Prairie Restoration	Marathon	WC	Karen Blodgett, 715-836-6574	\$4,314.00	\$4,314.00	Marathon County proposes restoring 20 acres of fallow farm fields to native prairie to benefit game and nongame wildlife species.

Program Grant Awards

Project Sponsor	Project Name	County	DNR Reg	Regional Contact	Grant Amt (State Share)	Local Share	Project Desc
MONROE COUNTY	Monroe County Morris Creek Habitat Phase 2	Monroe	WC	Karen Blodgett, 715-836-6574	\$2,442.00	\$2,442.00	Monroe County shall participate in the County Conservation Aids program by continuing the improving the habitat along Morris Creek to include the following items: Fish Habitat Structures and Streambank Erosion Control.
OCONTO COUNTY	Oconto County Posting Public Hunting Grounds	Oconto	NE	Christine Halbur, 920-662-5121	\$2,728.00	\$2,728.00	Oconto County will utilize County Conservation Aids grant funding to identify and post public hunting areas on the County Forest.
PIERCE COUNTY	Pierce County Trimbelle River Trout Habitat	Pierce	WC	Karen Blodgett, 715-836-6574	\$1,559.00	\$1,559.00	Pierce County proposes to participate in the County Conservations Aids grant to restore 800' of stream bank along the Trimbelle River to improve trout habitat.
POLK COUNTY	Polk Co. - Coon Lake Fishing Pier	Polk	NO	Annie Loechler, 715-822-2758	\$2,250.00	\$2,250.00	Polk County agrees to pay for the supplies and materials necessary for the rehabilitation of the Coon Lake fishing pier in the Village of Frederic. The boards will be removed and refinished in a controlled classroom environment at Frederic High School. When finished they will be re-installed on the Coon Lake pier.
PRICE COUNTY	Price Co. - Game openings and trail rejuvenation	Price	NO	Annie Loechler, 715-822-2758	\$4,407.50	\$4,407.50	Price County proposes improved habitat will result from the rejuvenation of 3.5 miles of trail and 6 acres of openings. Harvesting operations have been completed in this area and leveling and seeding will aid in rejuvenating this site.
PRICE COUNTY	Price Co. -Town of Elk Boat Dock	Price	NO	Annie Loechler, 715-822-2758	\$2,000.00	\$2,000.00	Price County will assist the Town of Elk in replacing a boat dock at an existing landing on Soo Lake. This dock will improve access to Soo Lake and increase recreational opportunities for users of Soo Lake.
ROCK COUNTY	Carver Roehl Park Garlic Mustard Control	Rock	SC	Sandy Chancellor, 608-275-7760	\$1,927.00	\$1,927.00	Rock County will implement a garlic mustard control program consisting of herbicide application and volunteer hand pulling at Carver-Roehl Park.
ROCK COUNTY	Rock County Parks Prescribed Burn Equipment	Rock	SC	Sandy Chancellor, 608-275-7760	\$1,220.00	\$1,220.00	Rock County will use County Conservation Aids funds to purchase additional prescribed burn equipment to improve wildlife habitat on county park property.
RUSK COUNTY	Rusk Co. - Dairyland Flowage ADA pathway to pier	Rusk	NO	Annie Loechler, 715-822-2758	\$2,000.00	\$2,000.00	Rusk County proposes to build an access trail to an ADA pier located at the Einar P Johnson Boat Landing on the Dairyland Flowage and an ADA parking spot for both the boat landing and the pier.
ST CROIX COUNTY	St Croix County Kinnickinnic Fish & Wildlife Area Parking Lot	St. Croix	WC	Karen Blodgett, 715-836-6574	\$1,988.00	\$1,988.00	St Croix County proposed to participate in the County Conservations Aids grant by developing a parking lot for the Kinnickinnic Fish & Wildlife Area. This project includes the following: Excavation, site prep, base rock, crushed limestone, erosion control, landscaping & large boulders.
