Project Sponsor	Project Name	County	DNR Reg	Regional Contact	Grant Amt (State Share)	Local Share	Project Desc
CITY OF GREEN LAKE	City of Green Lake Deacon Mills Park Docking & Dredging	Green Lake	NE	Christine Halbur, 920-662-5121	\$62,327.00	\$87,859.00	The City of Green Lake will utilize Recreational Boating Facilities funding to construct additional transient docking (a 260' wharf) at Deacon Mills Park, adjacent to their deep water boat launch. This project also includes the dredging necessary to construct the new transient docking and open a channel along the new wharf.
CITY OF MADISON	City of Madison Marshall Park Dredging	Dane	SC	Kathleen Wolski, 414-263-8670	\$47,725.00	\$67,275.00	City of Madison proposes to dredge the marshall Park boat launch channel on Lake Mendota. This project will remove about 2,800 cubic yards of material.
CITY OF MADISON	Spring Harbor Dredging	Dane	SC	Not Available	\$63,570.00	\$89,610.50	The City of Madison will dredge Spring Harbor, a 2.6-acre harbor on Lake Mendota.. This will restore boating access to the upper harbor and the public boat ramp. This partial dredging will remove about 3,000 cubic yards in a navigation channel. The width of the channel exceeds the eligible width and the funds approved represent 41.5% of the eligible costs.
CITY OF MUSKEGO	Big Muskego parking lot improvements	Waukesha	SE	Kathleen Wolski, 414-263-8670	\$34,862.00	\$49,143.00	City of Muskego will pave the overflow parking lot at the Durham Drive public boat launch. In addition to paving, improvements will define 17 car trailer parking stalls.
CITY OF ONALASKA	Onanaska Waterfront Feasibility Study	La Crosse	WC	Bruce Neeb, 715-839-3713	\$20,000.00	\$30,000.00	The City of Onalaska proposes to study public attitudes, design options, environmental issues, and permitting requirements associated with a riverfront development project including transient docks for boaters visiting downtown Onalaska restaurants, shops and other attractions. The study will also explore the possibility of developing a single-lane launch facility with parking for up to 10 Vehicle-Trailer (VT) units just below the Onalaska spillway. Feasibility study to include: a) General information, b) Economic Analysis, c) Environmental Analysis, and d) Engineering Analysis, per s. NR 7.06(4), Wis. Adm. Code.
CITY OF OSHKOSH	City of Oshkosh City Center Transient Docking	Winnebago	NE	Christine Halbur, 920-662-5121	\$644,951.50	\$909,148.50	The City of Oshkosh will use Recreational Boating Facilities grant funds to remove deteriorated sections of the bulkhead along the City Center area of the Fox River. The City will then replace the concrete bulkhead and add transient boat docking with lighting.
CITY OF WASHBURN	Washburn, City of - Marina Wall 2011-12	Bayfield	NO	Ed Slaminski, 715-635-4130	\$405,000.00	\$633,181.00	The City is in need of repairing the bulkhead wall at the Marina due to a storm last October. The project will involve two options: number one is to repair the existing wood wall structure and cap with concrete. Option 2 is to drive steel sheet pile along the existing wall and cap. Due to the damage from October the option will not be chosen until final plans are complete and a structural review is completed. All necessary permits must be obtained and a copy sent to the Spooner Grant Specialist prior to starting the project.
EAGLE LAKE MANAGEMENT DISTRICT	Eagle Lake Harvester Reconditioning	Racine	SE	Kathleen Wolski, 414-263-8670	\$35,580.00	\$53,370.00	Eagle Lake Management District proposes reconditioning their harvester to include replacing the engine, wiring, hydraulics, belt and paint.
