

URBAN WILDLIFE DAMAGE ABATEMENT AND CONTROL (UWDAC)

Authorization: ss. 29.887(1), (2), and (3), Wis. Stats.; ss. NR 50.01 through 50.05 and 50.23, Wis. Admin. Code

2011-13 Budget: 2012 Calendar Year = \$24,700
 2013 Calendar Year = \$24,700

Objective: To provide matching grants to urban communities for projects to plan wildlife abatement measures or to engage in wildlife control efforts or both. Program is limited to Canada geese and white-tailed deer.

Eligibility: Designated urban area, pursuant to s. 86.196(1)(c), Wis. Stats.

Level of Assistance: 50% matching grant for eligible project costs; limit \$5,000.

Priorities: Development of an urban wildlife population control plan; prevention and abatement of wildlife damage to human safety, health or property.

Eligible Types of Projects:

- Develop an urban wildlife population control plan.
- Monitor wildlife populations and establish population estimates.
- Remove deer under a DNR-approved project that uses sharpshooters.
- Trap and translocation of deer and geese.
- Implement managed hunts.
- Remove resident Canada geese by methods approved by the DNR.
- Perform required health and tissue sampling.
- Process, distribute or dispose of geese or deer to a charitable organization.
- Modify habitat.
- Implement any other wildlife control or damage abatement practices approved by the DNR.

Applications: Available upon request beginning in October from the contact below and on the DNR website. Submittal deadline is December 1 of each year.

History: This program was created in 1999 to assist urban areas with grant funding for a variety of wildlife damage and abatement control measures for white-tailed deer and Canada geese.
