

WDNR/DoD P2 Alliance

5 December 2000 Meeting Minutes

Fort McCoy

1. Jerry Rodenberg called the meeting to order at 10:00 a.m.. Mike Miller served as Recorder.
2. The Agenda is at Enclosure 1.
3. The Attendance list is at Enclosure 2.
4. Jeremy Fussy of CRI Recycling Services, Inc. presented his company's oil absorbents, pads, floor dry and oil filter recycling program. Jeremy is to provide the note taker with a price list. The note taker will fax the price list to all members present at the meeting. The note taker will also provide the price list and CRI's presentation handouts to any Alliance member upon request, michael.miller@emh2.mccoy.army.mil

Action Item: Hugh McAlear will develop a "snail-mail" mailing list.

5. Introductions were made as some new people were present.
6. The meeting Minutes from the 7 September meeting were read and approved.
7. Web Site Update: Jerry needs link information and a short write-up from the National Guard. Also the WI/DOD P2 web site needs to list DENIX (<http://www.denix.osd.mil>) as a link.

Action Item: Pete Schuster will prepare the National Guard write-up and provide to Jerry.
Jerry will coordinate with the WI/DOD P2 Alliance web master to link to DENIX.

8. Awards: Mike Miller, Fort McCoy, reported on receiving his award. Two awards for Volk Field employees (Master Sergeants Steve Buss and John Angeli) were signed by the co-chairs and mailed to Volk Field for local presentation. There were no new nominations presented.

Action Item: Members are to consider deserving employees for award nominations.

9. Opportunity Assessments: No new opportunity assessments have been conducted.

Action Item: Members need to volunteer for P2 opportunity assessments.

10. Annual Work Plan: The Annual Work Plan was reviewed, discussed, and amended.

Action Item: Hugh McAlear will revise the Annual Work Plan and send out with the Minutes (Enclosure 3).

11. List serve: Some confusion was evident during discussion on the List serve. The Alliance List serve is dodp2@uwm.edu. Members can send messages to the other members by using this alias for an address.

12. Discussion: A fluorescent lamp, universal waste, and Imbiber bead discussion was conducted led by Ginger Hooper. She distributed a Memorandum, dated January 11, 2000, subject: Management of Wisconsin-Specific Universal Wastes, and a DNR Briefing Paper, entitled "How to Handle Your Waste Fluorescent Lamps and Incandescent Bulbs".

13. Adjournment: The meeting was adjourned at approximately 1:30 p.m.

14. Next meeting: The next meeting is scheduled for 7 March 2001 in the Milwaukee area and will be hosted by the Air Guard Unit at Mitchell Field.
