

## **Public Notice on an Application for Participation in Tier I of Green Tier**

Pursuant to Section 299.83, Wis. Stats., the Department of Natural Resources (DNR) hereby gives notice that DNR has received an application for participation in Tier I of Green Tier from Carver Boat Corporation L.L.C. Their facility is located at 790 Markham Drive, Pulaski, WI 54162-1010 in Brown County. Over the past 5 years, Carver has reduced air emissions by over 40%, has reduced their hazardous waste generation to such an extent that they now qualify as a small quantity generator and have reduced their wastewater discharges. As a participant under Green Tier, they propose to further reduce water and energy consumption, increase waste diversion and recycling efforts, and pursue low-volatile organic compound/low hazardous air pollutant products that would establish them as an industry leader in environmentally friendly coatings and finishings.
