

## Public Notice on an Application for Participation in Tier I of Green Tier

Pursuant to Section 299.83, Wis. Stats., the Department of Natural Resources (DNR) hereby gives notice that DNR has received an application for participation in Tier I of Green Tier from R. Stresau Laboratory, Inc., N8265 Medley Rd., Spooner, WI, 54801-7819. R. Stresau Laboratory Inc., (Stresau Laboratory) is located in Washburn County. Stresau Laboratory is a facility engaged in the development, testing and manufacturing of energetic devices, mostly for government contracts. In operation since 1961, Stresau Laboratory's evaluation expertise has been used in many branches of the armed services and a variety of industries. Past successful environmental initiatives include changing their hazardous waste generator status from Small Quantity Generator to Very Small Quantity Generator, as well as active recycling programs for metals, cardboard, shipping pallets and other materials. Stresau Laboratory is committed to implementing an EMS within the timeframe identified in the Green Tier law. Areas they will be evaluating for improvement include the facility itself, their manufacturing process and the fuel/energy that they use.
