Notes:

The department determined some projects are ineligible for CWF funds based on the Notice of Intent to Apply form or Priority Evaluation and Ranking Form received by 12/31/08. Ineligible projects are not included on the Project Priority List.

In the "Hardship Request" column, a "Y" means the municipality requested hardship assistance; a "N" indicates the municipality did not request hardship assistance.

 Providing financial assistance to these proposed projects is not expected to have the potential to cause significant adverse environmental effects. Comments on this preliminary determination may be provided no later than April 21, 2009 to Robert Ramharter - CF/2, Department of Natural Resources, PO Box 7921, Madison, WI 53707-7921.
