16th ANNUAL

DRINKING WATER AND WASTEWATER FUNDING SOURCES WORKSHOP

(Pre-registration required)

Municipalities and others planning to build or upgrade water or wastewater systems are invited to attend funding sources workshops to learn about available funding options. Workshop main speakers will also address infrastructure in Wisconsin. Jerry Groth, Baxter and Woodman, Inc., plans to discuss the "Infrastructure Scorecard". Dave Lawrence, Wisconsin Rural Water Association, will present "Infrastructure – Security Issues". See reverse side for the workshop agenda. Following the program, you'll have an opportunity to meet one-on-one with agency representatives from participating funding agencies. If you have a water or wastewater project in your near future, we encourage you to attend one of these workshops:

November 13, 2007

Wisconsin Rural Water Association
350 Water Way
Plover, WI

November 14, 2007

City of Jefferson Fire Department
351 E. Racine St.
Jefferson, WI

Workshop registration starts at 9:30 am, and presentations begin at 10:00 am. A sponsored informal sandwich lunch is scheduled near noon, presentations will re-commence as soon as possible, and the session should end at 2:00 pm. You can then meet one-on-one with agency representatives in attendance to discuss specific options for your project. There is **NO CHARGE** for attending a workshop, lunch will be provided, but **pre-registration is required**. If you plan to attend, please reply with a contact name, agency name and the number of attendees to:
