

2007-2008 ALL-TERRAIN VEHICLE NEW SUPPORT REQUESTS (ATVNewSUPPORT08.xls)

Region	County	Description	Component	Costs	Total	Approved
NER	Oconto	Oconto County will develop a much-needed Trail Head/Parking Lot/Shelter facility on the Nicolet Trail in the Town of Lakewood on Hwy 32. The trail is being relocated to allow for 19 drive-thru trailer spaces, as well as other vehicle parking. A shelter which includes year-around bathrooms, and a covered picnic area will be constructed, as well as other amenities. Total project cost is \$457,000. The county is requesting 10% of the total (\$45,700) from the snowmobile program and 10% from the ATV program as a fair share of the trail relocation, parking lot, bathroom facility, and trail kiosk cost (Parking lot is in center of town and must be blacktop)	*Structure		\$250,884	\$408,000.00

SCR	LaFayette	When the City of Darlington first presented its proposal to construct a restroom/show facility on the Cheese Country Trail, the Council advised them to split the project into two phases. The first phase, construction of the new facility, was approved by the Council and is scheduled for completion by Memorial Day, 2007. This request is for the second and final phase of the project, demolition of the old restroom and construction of an RV dumping station.	*Structure	\$4,275	\$46,433	\$46,433.00
