		Water Body:	Material:	Equip Rental	\$160	
		Years in System:	Design Weight Load:	Other	\$160	
NO	Burnett	Burnett County proposes to add 4 miles of new trail for winter ATV use. This trail is already part of our summer ATV trail system. We are proposing to add it to our winter trails so that folks can use it during dry winters as well as with snow. The trail is already established so only maintenance is requested.	*Structure		\$0	\$400.00
