

Urban Wildlife Damage Abatement and Control (UWDAC) Grant Program

Timeline

October 1	Grant Application Period Opens
December 1	UWDAC Grant Applications Due to DNR (postmarked on or before this date)
Early January	Final funding list determined; grant agreements mailed to municipalities.
30 days from receipt of grant agreement	Signed grant agreements due back to the DNR.
One (1) year from date of grantee signature	Grant expiration date if the project is the <u>development</u> of an urban wildlife population control plan approved by the DNR.
Two (2) years from date of grantee Signature	Grant expiration date if the project is the <u>implementation</u> of a DNR-approved urban wildlife population control plan.

Application Checklist

An application is complete when all the information required arrives at the DNR by the postmark deadline date (December 1).

- _____ **Completed, signed and dated** Urban Wildlife Damage Abatement and Control Grant Application.
- _____ A **signed and dated** resolution. **Please note:** If you submitted a resolution with a prior years's grant application that specifically stated, "County Board does hereby appropriate a matching allocation for such projects and such appropriation shall continue as long as state matching aids are available, or until this resolution is modified by this Board...", then you do not need to submit another resolution with this application.
- _____ A map of the plan or project area.
- _____ Wildlife Plan (note: a Wildlife Plan may not be required at this time if you are using grant funds to develop a Wildlife Plan.)
- _____ Urban Wildlife Damage Abatement and Control Grant Wildlife Plan Work Sheet.
- _____ Mail the application and required information to:
