Pursuant to section 2(b) of the Act of August 8, 1953 (16 U.S.C. 1c(b)), the provisions of the Land and Water Conservation Fund Act of 1965 apply to all areas of the National Park System to the extent the provisions are not in conflict with specific provisions applicable to a particular unit of the National Park System.

thority of those provisions of law set forth in section 485(b)(e),¹ title 40, United States Code, or the Independent Offices Appropriation Act, 1963 (76 Stat. 725) or in any later appropriation Act) hereafter received from any disposal of surplus real property and related personal property under the Federal Property and Administrative Services Act of 1949, as amended, notwithstanding any provision of law that such proceeds shall be credited to miscellaneous receipts of the Treasury. Nothing in this Act shall affect existing laws or regulations concerning disposal of real or personal surplus property to schools, hospitals, and States and their political subdivisions.

(b) MOTORBOAT FUELS TAX.—The amounts provided for in section 201 of this Act.

(c)(1) OTHER REVENUES.—In addition to the sum of the revenues and collections estimated by the Secretary of the Interior to be covered into the fund pursuant to this section, as amended, there are authorized to be appropriated annually to the fund out of any money in the Treasury not otherwise appropriated such amounts as are necessary to make the income of the fund not less than \$300,000,000 for fiscal year 1977, and \$900,000,000 for fiscal year 1978 and for each fiscal year thereafter through September 30, 2015.

(2) To the extent that any such sums so appropriated are not sufficient to make the total annual income of the fund equivalent to the amounts provided in clause (1), an amount sufficient to cover the remainder thereof shall be credited to the fund from revenues due and payable to the United States for deposit in the Treasury as miscellaneous receipts under the Outer Continental Shelf Lands Act, as amended (43 U.S.C. 1331 et seq.): *Provided*, That notwithstanding the provisions of section 3 of this Act, moneys covered into the fund under this paragraph shall remain in the fund until appropriated by the Congress to carry out the purpose of this Act.

ADMISSION AND USE FEES; ESTABLISHMENT AND REGULATIONS

SEC. 4. (a) [16 U.S.C 4601-6a] ADMISSION FEES.²—Entrance or admission fees shall be charged only at designated units of the National Park System or National Conservation Areas administered by the Department of the Interior and National Recreation Areas, National Monuments, National Volcanic Monuments, National Scenic Areas, and no more than 21 areas of concentrated public use

¹The reference in section 2(a) is set forth as it appears in the original public law. The reference was probably intended to refer to subsections (b) through (e) of section 485.

²Public Law 100-55 (101 Stat. 371; 16 U.S.C. 4601-6a note) provided as follows:

“That, notwithstanding any other provision of law, after the date of the enactment of this Act [June 19, 1987], the Secretary of the Interior shall not charge any entrance or admission fee at the Statue of Liberty National Monument, New Jersey and New York.”

administered by the Department of Agriculture. For purposes of this subsection, the term "area of concentrated public use" means an area that is managed primarily for outdoor recreation purposes, contains at least one major recreation attraction, where facilities and services necessary to accommodate heavy public use are provided, and public access to the area is provided in such a manner that admission fees can be efficiently collected at one or more centralized locations. No admission fees of any kind shall be charged or imposed for entrance into any other federally owned areas which are operated and maintained by a Federal agency and used for outdoor recreation purposes.

(1)(A)(i) For admission into any such designated area, an annual admission permit (to be known as the Golden Eagle Passport) shall be available, for a fee of not more than \$25. The permittee and any person accompanying him in a single, private noncommercial vehicle, or alternatively, the permittee and his spouse, children, and parents accompanying him where entry to the area is by any means other than private, non-commercial vehicle, shall be entitled to general admission into any area designated pursuant to this subsection. The annual permit shall be valid for a period of 12 months from the date the annual fee is paid. The annual permit shall not authorize any uses for which additional fees are charged pursuant to subsections (b) and (c) of this section. The annual permit shall be nontransferable and the unlawful use thereof shall be punishable in accordance with regulations established pursuant to subsection (e). The annual permit shall be available for purchase at any such designated area.

(ii)¹ The Secretary of the Interior and the Secretary of Agriculture may authorize businesses, nonprofit entities, and other organizations to sell and collect fees for the Golden Eagle Passport subject to such terms and conditions as the Secretaries may jointly prescribe. The Secretaries shall develop detailed guidelines for promotional advertising of non-Federal Golden Eagle Passport sales and shall monitor compliance with such guidelines. The Secretaries may authorize the sellers to withhold amounts up to, but not exceeding 8 percent of the gross fees collected from the sale of such passports as reimbursement for actual expenses of the sales. Receipts from such non-Federal sales of the Golden Eagle Passport shall be deposited into the special account established in subsection (i), to be allocated between the Secretary of the Interior and the Secretary of Agriculture in the same ratio as receipts from admission into Federal fee areas administered by the Secretary of Agriculture and the Secretary of the Interior pursuant to subsection (a).

(B) For admission into a specific designated unit of the National Park System, or into several specific units located in a particular geographic area, the Secretary is authorized to make available an annual admission permit for a reasonable fee. The fee shall not exceed \$15 regardless of how many units of the park system are covered. The permit shall convey the privileges of, and shall be subject to the same terms and conditions as, the Golden Eagle Passport, except that it shall be valid

¹ Clause (ii) should be moved 2-ems to the right so as to align the clause with clause (i).

only for admission into the specific unit or units of the National Park System indicated at the time of purchase.

(2) Reasonable admission fees for a single visit at any designated area shall be established by the administering Secretary for persons who choose not to purchase the annual permit. A "single visit" means more or less continuous stay within a designated area. Payment of a single visit admission fee shall authorize exits from and reentries to a single designated area for a period of from one to fifteen days, such period to be defined for each designated area by the administering Secretary based upon a determination of the period of time reasonably and ordinarily necessary for such a single visit. The fee for a single-visit permit at any designated area applicable to those persons entering by private, noncommercial vehicle shall be no more than \$5 per vehicle. The single-visit permit shall admit the permittee and all persons accompanying him in a single vehicle. The fee for a single-visit permit at any designated area applicable to those persons entering by any means other than a private noncommercial vehicle shall be no more than \$3 per person. Except as otherwise provided in this subsection, the maximum fee amounts set forth in this paragraph shall apply to all designated areas.

(3) No admission fee shall be charged for travel by private, noncommercial vehicle over any national parkway or any road or highway established as a part of the National Federal Aid System, as defined in section 101, title 23, United States Code, which is commonly used by the public as a means of travel between two places either or both of which are outside the area. Nor shall any fee be charged for travel by private, noncommercial vehicle over any road or highway to any land in which such person has any property right if such land is within any such designated area. In the Smoky Mountains National Park, unless fees are charged for entrance into said park on main highways and thoroughfares, fees shall not be charged for entrance on other routes into said park or any part thereof. Notwithstanding any other provision of this Act, no admission fee may be charged at any unit of the National Park System which provides significant outdoor recreation opportunities in an urban environment and to which access is publicly available at multiple locations.

(4) The Secretary of the Interior and the Secretary of Agriculture shall establish procedures providing for the issuance of a lifetime admission permit (to be known as the "Golden Age Passport") to any citizen of, or person domiciled in, the United States sixty-two years of age or older applying for such permit. Such permit shall be nontransferable, shall be issued for a one-time charge of \$10, and shall entitle the permittee and any person accompanying him in a single, private, noncommercial vehicle, or alternatively, the permittee and his spouse and children accompanying him where entry to the area is by any means other than private, noncommercial vehicle, to general admission into any area designated pursuant to this subsection. No other free permits shall be issued to any person: *Provided*, That no fees of any kind shall be collected from any

persons who have a right of access for hunting or fishing privileges under a specific provision of law or treaty or who are engaged in the conduct of official Federal, State, or local Government business and *Provided further*, That for no more than three years after the date of enactment of this Act, visitors to the United States will be granted entrance, without charge, to any designated admission fee area upon presentation of a valid passport.

(5) The Secretary of the Interior and the Secretary of Agriculture shall establish procedures providing for the issuance of a lifetime admission permit to any citizen of, or person domiciled in, the United States, if such citizen or person applies for such permit, and is blind or permanently disabled. Such procedures shall assure that such permit shall be issued only to persons who have been medically determined to be blind or permanently disabled for purposes of receiving benefits under Federal law as a result of said blindness or permanent disability as determined by the Secretaries. Such permit shall be nontransferable, shall be issued without charge, and shall entitle the permittee and any person accompanying him in a single, private, noncommercial vehicle, or alternatively, the permittee and his spouse and children accompanying him where entry to the area is by any means other than private, noncommercial vehicle, to general admission into any area designated pursuant to this subsection.

(6)(A) No later than 60 days after the date of enactment of this paragraph, the Secretary of the Interior shall submit to the Committee on Interior and Insular Affairs of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate a report on the entrance fees proposed to be charged at units of the National Park System. The report shall include a list of units of the National Park System and the entrance fee proposed to be charged at each unit. The Secretary of the Interior shall include in the report an explanation of the guidelines used in applying the criteria in subsection (d).

(B) Following submittal of the report to the respective committees, any proposed changes to matters covered in the report, including the addition or deletion of park units or the increase or decrease of fee levels at park units shall not take effect until 60 days after notice of the proposed change has been submitted to the committees.

(7) No admission fee may be charged at any unit of the National Park System for admission of any person 16 years of age or less.

(8) No admission fee may be charged at any unit of the National Park System for admission of organized school groups or outings conducted for educational purposes by schools or other bona fide educational institutions.

(9) No admission fee may be charged at the following units of the National Park System: U.S.S. Arizona Memorial, Independence National Historical Park, any unit of the National Park System within the District of Columbia, Arlington

House—Robert E. Lee National Memorial, San Juan National Historic Site, and Canaveral National Seashore.

(10) For each unit of the National Park System where an admission fee is collected, the Director shall annually designate at least one day during periods of high visitation as a “Fee-Free Day” when no admission fee shall be charged.

(11) In the case of the following parks, the fee for a single-visit permit applicable to those persons entering by private, noncommercial vehicle (the permittee and all persons accompanying him in a single vehicle) shall be no more than \$10 per vehicle and the fee for a single-visit permit applicable to persons entering by any means other than a private noncommercial vehicle shall be no more than \$5 per person: Yellowstone National Park and Grand Teton National Park and after the end of fiscal year 1990, Grand Canyon National Park. In the case of Yellowstone and Grand Teton, a single-visit fee collected at one unit shall also admit the vehicle or person who paid such fee for a single-visit to the other unit.

(12) Notwithstanding section 203 of the Alaska National Interest Lands Conservation Act, the Secretary may charge an admission fee under this section at Denali National Park and Preserve in Alaska.

(b) RECREATION USE FEES.—Each Federal agency developing, administering, providing or furnishing at Federal expense, specialized outdoor recreation sites, facilities, equipment, or services shall, in accordance with this subsection and subsection (d) of this section, provide for the collection of daily recreation use fees at the place of use or any reasonably convenient location: *Provided*, That in no event shall there be a charge by any such agency for the use, either singly or in any combination, of drinking water, wayside exhibits, roads, overlook sites, visitors’ centers, scenic drives, or toilet facilities, nor shall there be any such charge solely for the use of picnic tables: *Provided*, That in no event shall there be a charge for the use of any campground not having a majority of the following: tent or trailer spaces, picnic tables, drinking water, access road, refuse containers, toilet facilities, personal collection of the fee by an employee or agent of the Federal agency operating the facility, reasonable visitor protection, and simple devices for containing a campfire (where campfires are permitted). For the purposes of this subsection, the term “specialized outdoor recreation sites” includes, but is not limited to, campgrounds, swimming sites, boat launch facilities, and managed parking lots. Any Golden Age Passport permittee, or permittee under paragraph (5) of subsection (a) of this section, shall be entitled upon presentation of such permit to utilize such special recreation facilities at a rate of 50 per cent of the established use fee.

(c) RECREATION PERMITS.—Special recreation permits for uses such as group activities, recreation events, motorized recreation vehicles, and other specialized recreation uses may be issued in accordance with procedures and at fees established by the agency involved.

(d) All fees established pursuant to this section shall be fair and equitable, taking into consideration the direct and indirect cost to the Government, the benefits to the recipient, the public policy

or interest served, the comparable recreation fees charged by non-Federal public agencies, the economic and administrative feasibility of fee collection and other pertinent factors. Clear notice that a fee has been established pursuant to this section shall be prominently posted at each area and at appropriate locations therein and shall be included in publications distributed at such areas. It is the intent of this Act that comparable fees should be charged by the several Federal agencies for comparable services and facilities.

(e) In accordance with the provisions of this section, the heads of appropriate departments and agencies may prescribe rules and regulations for areas under their administration for the collection of any fee established pursuant to this section. Persons authorized by the heads of such Federal agencies to enforce any such rules or regulations issued under this subsection may, within areas under the administration or authority of such agency head and with or, if the offense is committed in his presence, without a warrant, arrest any person who violates such rules and regulations. Any person so arrested may be tried and sentenced by the United States magistrate¹ specifically designated for that purpose by the court by which he was appointed, in the same manner and subject to the same conditions as provided in title 18, United States Code, section 3401, subsections (b), (c), (d), and (e), as amended. Any violations of the rules and regulations issued under this subsection shall be punishable by a fine of not more than \$100.

(f) The head of any Federal agency, under such terms and conditions as he deems appropriate, may contract with any public or private entity to provide visitor reservation services. Any such contract may provide that the contractor shall be permitted to deduct a commission to be fixed by the agency head from the amount charged the public for providing such services and to remit the net proceeds therefrom to the contracting agency.

(g) Nothing in this Act shall authorize Federal hunting or fishing licenses or fees or charges for commercial or other activities not related to recreation, nor shall it affect any rights or authority of the States with respect to fish and wildlife, nor shall it repeal or modify any provision of law that permits States or political subdivisions to share in the revenues from Federal lands or any provision of law that provides that any fees or charges collected at particular Federal areas shall be used for or credited to specific purposes or special funds as authorized by that provision of law.

(h) **[Repealed by section 1081(f) of Public Law 104-66 (109 Stat. 721).]**

(i)(1)(A)² Except in the case of fees collected by the United States Fish and Wildlife Service or the Tennessee Valley Authority,

all receipts from fees collected pursuant to this section by any Federal agency (or by any public or private entity under contract with a Federal agency) shall be covered into a special account for that agency established in the Treasury of the United States. Fees collected by the Secretary of Agriculture pursuant to this subsection shall continue to be available for the purposes of distribution to States and counties in accordance with applicable law.

(B)³ Notwithstanding subparagraph (A), in any fiscal year, the Secretary of Agriculture and the Secretary of the Interior may withhold from the special account established under subparagraph (A) such portion of all receipts collected from fees imposed under this section in such fiscal year as the Secretary of Agriculture or the Secretary of the Interior, as appropriate, determines to be equal to the fee collection costs for that fiscal year: *Provided*, That such costs shall not exceed 15 percent of all receipts collected from fees imposed under this section in that fiscal year. The amounts so withheld shall be retained by the Secretary of Agriculture or the Secretary of the Interior, as appropriate, and shall be available, without further appropriation, for expenditure by the Secretary concerned to cover fee collection costs in that fiscal year. The Secretary concerned shall deposit into the special account established

at recreation sites under the administrative jurisdiction of the Department of the Army under section 4(b) of that Act (16 U.S.C. 4601-6a(b)).

(2) USE.—The amounts withheld shall be retained by the Secretary and shall be available, without further Act of appropriation, for expenditure by the Secretary in accordance with subsection (b).

(3) AVAILABILITY.—The amounts withheld shall remain available until September 30, 2005.

(b) USE OF AMOUNTS WITHHELD.—In order to increase the quality of the visitor experience at public recreational areas and to enhance the protection of resources, the amounts withheld under subsection (a) may be used only for—

- (1) repair and maintenance projects (including projects relating to health and safety);
- (2) interpretation;
- (3) signage;
- (4) habitat or facility enhancement;
- (5) resource preservation;
- (6) annual operation (including fee collection);
- (7) maintenance; and
- (8) law enforcement related to public use.

(c) AVAILABILITY.—Each amount withheld by the Secretary shall be available for expenditure, without further Act of appropriation, at the specific project from which the amount, above baseline, is collected.

Section 310 of the Omnibus Parks Technical Corrections Act of 2000 (Public Law 106-176; 114 Stat. 34; 16 U.S.C. 4601-6a note) provides as follows:

SEC. 310. NATIONAL PARK SERVICE ENTRANCE AND RECREATIONAL USE FEES.

(a) The Secretary of the Interior is authorized to retain and expend revenues from entrance and recreation use fees at units of the National Park System where such fees are collected under section 4 of the Land and Water Conservation Fund Act of 1965 (16 U.S.C. 4601-6a), notwithstanding the provisions of section 4(i) of such Act. Fees shall be retained and expended in the same manner and for the same purposes as provided under the Recreational Fee Demonstration Program (section 315 of Public Law 104-134, as amended (16 U.S.C. 4601-6a note)).

(b) Nothing in this section shall affect the collection of fees at units of the National Park System designated as fee demonstration projects under the Recreational Fee Demonstration Program.

(c) The authorities in this section shall expire upon the termination of the Recreational Fee Demonstration Program.

³Section 107 of the Department of the Interior and Related Agencies Appropriations Act, 1998 (Public Law 105-83; 111 Stat. 1561; 16 U.S.C. 4601-6a note), provides as follows: "In fiscal year 1998 and thereafter, for those years in which the recreation fee demonstration program authorized in Public Law 104-134 is in effect, the fee collection support authority provided in 16 U.S.C. 4601-6(i)(1)(B) [probably should be 4601-6a(i)(1)(B)] applies only to parks not included in the fee demonstration program, and that the amount retained under this authority to cover fee collection costs will not exceed those costs at the non-demonstration parks, or 15 percent of all fees collected at non-demonstration parks in a fiscal year whichever is less. Fee collection costs for parks included in the fee demonstration program will be covered by the fees retained at those parks."

pursuant to subparagraph (A) any amounts so retained which remain unexpended and unobligated at the end of the fiscal year. For the purposes of this subparagraph, for any fiscal year, the term "fee collection costs" means those costs for personnel and infrastructure directly associated with the collection of fees imposed under this section.

(C) UNITS AT WHICH ENTRANCE FEES OR ADMISSIONS FEES CANNOT BE COLLECTED.—

(i) WITHHOLDING OF AMOUNTS.—Notwithstanding subparagraph (A), section 315(c) of section 101(c) of the Omnibus Consolidated Receptions and Appropriations Act of 1996 (16 U.S.C. 4601-6a note; Public Law 104-134), or section 107 of the Department of the Interior and Related Agencies Appropriations Act, 1998 (16 U.S.C. 4601-6a note; Public Law 105-83), the Secretary of the Interior shall withhold from the special account under subparagraph (A) 100 percent of the fees and charges collected in connection with any unit of the National Park System at which entrance fees or admission fees cannot be collected by reason of deed restrictions.

(ii) USE OF AMOUNTS.—Amounts withheld under clause (i) shall be retained by the Secretary and shall be available, without further Act of appropriation, for expenditure by the Secretary for the unit with respect to which the amounts were collected for the purposes of enhancing the quality of the visitor experience, protection of resources, repair and maintenance, interpretation, signage, habitat or facility enhancement, resource preservation, annual operation (including fee collection), maintenance, and law enforcement.

(2) Amounts covered into the special account for each agency during each fiscal year shall, after the end of such fiscal year, be available for appropriation solely for the purposes and in the manner provided in this subsection. No funds shall be transferred from fee receipts made available under this Act to each unit of the national park system: *Provided, however,* That in making appropriations, funds derived from such fees may be used for any purpose authorized therein. Funds credited to the special account shall remain available until expended.

(3) For agencies other than the National Park Service, such funds shall be made available for resource protection, research, interpretation, and maintenance activities related to resource protection in areas managed by that agency at which outdoor recreation is available. To the extent feasible, such funds should be used for purposes (as provided for in this paragraph) which are directly related to the activities which generated the funds, including but not limited to water-based recreational activities and camping.

(4) Amounts covered into the special account for the National Park Service shall be allocated among park system units in accordance with subsection (j) for obligation or expenditure by the Director of the National Park Service for the following purposes:

(A) In the case of receipts from the collection of admission fees: for resource protection, research, and interpretation at units of the National Park System.

(B) In the case of receipts from the collection of user fees: for resource protection, research, interpretation, and maintenance activities related to resource protection at units of the National Park System.

(j)(1) 10 percent of the funds made available to the Director of the National Park Service under subsection (i) in each fiscal year shall be allocated among units of the National Park System on the basis of need in a manner to be determined by the Director.

(2) 40 percent of the funds made available to the Director of the National Park Service under subsection (i) in each fiscal year shall be allocated among units of the National Park System in accordance with paragraph (3) of this subsection and 50 percent shall be allocated in accordance with paragraph (4) of this subsection.

(3) The amount allocated to each unit under this paragraph for each fiscal year shall be a fraction of the total allocation to all units under this paragraph. The fraction for each unit shall be determined by dividing the operating expenses at that unit during the prior fiscal year by the total operating expenses at all units during the prior fiscal year.

(4) The amount allocated to each unit under this paragraph for each fiscal year shall be a fraction of the total allocation to all units under this paragraph. The fraction for each unit shall be determined by dividing the user fees and admission fees collected under this section at that unit during the prior fiscal year by the total of user fees and admission fees collected under this section at all units during the prior fiscal year.

(5) Amounts allocated under this subsection to any unit for any fiscal year and not expended in that fiscal year shall remain available for expenditure at that unit until expended.

(k) When authorized by the head of the collecting agency, volunteers at designated areas may sell permits and collect fees authorized or established pursuant to this section. The head of such agency shall ensure that such volunteers have adequate training regarding—

- (1) the sale of permits and the collection of fees,
- (2) the purposes and resources of the areas in which they are assigned, and
- (3) the provision of assistance and information to visitors to the designated area.

The Secretary shall require a surety bond for any such volunteer performing services under this subsection. Funds available to the collecting agency may be used to cover the cost of any such surety bond. The head of the collecting agency may enter into arrangements with qualified public or private entities pursuant to which such entities may sell (without cost to the United States) annual admission permits (including Golden Eagle Passports) at any appropriate location. Such arrangements shall require each such entity to reimburse the United States for the full amount to be received from the sale of such permits at or before the agency delivers the permits to such entity for sale.

(1)(1) Where the National Park Service provides transportation to view all or a portion of any unit of the National Park System, the Director may impose a charge for such service in lieu of an admission fee under this section. The charge imposed under this paragraph shall not exceed the maximum admission fee under subsection (a).

(2) Notwithstanding any other provision of law, half of the charges imposed under paragraph (1) shall be retained by the unit of the National Park System at which the service was provided. The remainder shall be covered into the special account referred to in subsection (i) in the same manner as receipts from fees collected pursuant to this section. Fifty percent of the amount retained shall be expended only for maintenance of transportation systems at the unit where the charge was imposed. The remaining 50 percent of the retained amount shall be expended only for activities related to resource protection at such units.

(m) Where the primary public access to a unit of the National Park System is provided by a concessioner, the Secretary may charge an admission fee at such units only to the extent that the total of the fee charged by the concessioner for access to the unit and the admission fee does not exceed the maximum amount of the admission fee which could otherwise be imposed under subsection (a).

(n)(1) In the case of each unit of the National Park System for which an admission fee is charged under this section, the Secretary of the Interior shall establish, by October 1, 1993, a commercial tour use fee to be imposed on each vehicle entering the unit for the purpose of providing commercial tour services within the unit. Fee revenue derived from such commercial tour use fees shall be deposited into the special account established under subsection (i).

(2) The Secretary shall establish the amount of fee per entry as follows:

(A) \$25 per vehicle with a passenger capacity of 25 persons or less, and

(B) \$50 per vehicle with a passenger capacity of more than 25 persons.

(3) The Secretary may periodically make reasonable adjustments to the commercial tour use fee imposed under this subsection.

(4) The commercial tour use fee imposed under this subsection shall not apply to either of the following:

(A) Any vehicle transporting organized school groups or outings conducted for educational purposes by schools or other bona fide educational institutions.

(B) Any vehicle entering a park system unit pursuant to a contract issued under the Act of October 9, 1965 (16 U.S.C. 20-20g) entitled "An Act relating to the establishment of concession policies in the areas administered by the National Park Service and for other purposes."

(5)(A) The provisions of this subsection shall apply to aircraft entering the airspace of units of the National Park System identified in section 2(b) and section 3 of Public Law 100-91 for the specific purpose of providing commercial tour services within the airspace of such units.

(B) The provisions of this subsection shall also apply to aircraft entering the airspace of other units of the National Park System for the specific purpose of providing commercial tour services if the Secretary determines that the level of such services is equal to or greater than the level at those units of the National Park System specified in subparagraph (A).

ALLOCATION OF LAND AND WATER CONSERVATION FUND FOR STATE
AND FEDERAL PURPOSES

SEC. 5. [16 U.S.C 4601-7] ALLOCATION.—There shall be submitted with the annual budget of the United States a comprehensive statement of estimated requirements during the ensuing fiscal year for appropriations from the fund. Not less than 40 per centum of such appropriations shall be available for Federal purposes. Those appropriations from the fund up to and including \$600,000,000 in fiscal year 1978 and up to and including \$750,000,000 in fiscal year 1979 shall continue to be allocated in accordance with this section. There shall be credited to a special account within the fund \$300,000,000 in fiscal year 1978 and \$150,000,000 in fiscal year 1979 from the amounts authorized by section 2 of this Act. Amounts credited to this account shall remain in the account until appropriated. FINANCIAL ASSISTANCE TO STATES

SEC. 6. [16 U.S.C 4601-8] GENERAL AUTHORITY; PURPOSES.—(a) The Secretary of the Interior (hereinafter referred to as the “Secretary”) is authorized to provide financial assistance to the States from moneys available for State purposes. Payments may be made to the States by the Secretary as hereafter provided, subject to such terms and conditions as he considers appropriate and in the public interest to carry out the purposes of this Act, for outdoor recreation: (1) planning, (2) acquisition of land, waters, or interests in land or waters, or (3) development.

(b) APPORTIONMENT AMONG STATES; NOTIFICATION.—Sums appropriated and available for State purposes for each fiscal year shall be apportioned among the several States by the Secretary, whose determination shall be final, in accordance with the following formula:

- (1) Forty per centum of the first \$225,000,000; thirty per centum of the next \$275,000,000; and twenty per centum of all

additional appropriations shall be apportioned equally among the several States; and¹

(2) At any time, the remaining appropriation shall be apportioned on the basis of need to individual States by the Secretary in such amounts as in his judgment will best accomplish the purposes of this Act. The determination of need shall include among other things a consideration of the proportion which the population of each State bears to the total population of the United States and of the use of outdoor recreation resources of individual States by persons from outside the State as well as a consideration of the Federal resources and programs in the particular States.

(3) The total allocation to an individual State under paragraphs (1) and (2) of this subsection shall not exceed 10 per centum of the total amount allocated to the several States in any one year.

(4) The Secretary shall notify each State of its apportionments; and the amounts thereof shall be available thereafter for payment to such State for planning, acquisition, or development projects as hereafter prescribed. Any amount of any apportionment that has not been paid or obligated by the Secretary during the fiscal year in which such notification is given and for two fiscal years thereafter shall be reapportioned by the Secretary in accordance with paragraph (2) of this subsection, without regard to the 10 per centum limitation to an individual State specified in this subsection.

(5) For the purposes of paragraph (1) of this subsection, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands (when such islands achieve Commonwealth status) shall be treated collectively as one State, and shall receive shares of such apportionment in proportion to their populations. The above listed areas shall be treated as States for all other purposes of this title.

(c) MATCHING REQUIREMENTS.—Payments to any State shall cover not more than 50 per centum of the cost of planning, acquisition, or development projects that are undertaken by the State. The remaining share of the cost shall be borne by the State in a manner and with such funds or services as shall be satisfactory to the Secretary. No payment may be made to any State for or on account of any cost or obligation incurred or any service rendered prior to the date of approval of this Act.

(d) COMPREHENSIVE STATE PLAN REQUIRED; PLANNING PROJECTS.—A comprehensive statewide outdoor recreation plan shall be required prior to the consideration by the Secretary of financial assistance for acquisition or development projects. The plan shall be adequate if, in the judgment of the Secretary, it encompasses and will promote the purposes of this Act: *Provided*, That no plan shall be approved unless the Governor of the respective State certifies that ample opportunity for public participation in plan development and revision has been accorded. The Secretary shall develop, in consultation with others, criteria for public partici-

pation, which criteria shall constitute the basis for the certification by the Governor. The plan shall contain—

- (1) the name of the State agency that will have authority to represent and act for the State in dealing with the Secretary for purposes of this Act;
- (2) an evaluation of the demand for and supply of outdoor recreation resources and facilities in the State;
- (3) a program for the implementation of the plan; and
- (4) other necessary information, as may be determined by the Secretary.

The plan shall take into account relevant Federal resources and programs and shall be correlated so far as practicable with other State, regional, and local plans. Where there exists or is in preparation for any particular State a comprehensive plan financed in part with funds supplied by the Housing and Home Finance Agency, any statewide outdoor recreation plan prepared for purposes of this Act shall be based upon the same population, growth, and other pertinent factors as are used in formulating the Housing and Home Finance Agency financed plans.

The Secretary may provide financial assistance to any State for projects for the preparation of a comprehensive statewide outdoor recreation plan when such plan is not otherwise available or for the maintenance of such plan.

For fiscal year 1988 and thereafter each comprehensive statewide outdoor recreation plan shall specifically address wetlands within that State as an important outdoor recreation resource as a prerequisite to approval, except that a revised comprehensive statewide outdoor recreation plan shall not be required by the Secretary, if a State submits, and the Secretary, acting through the Director of the National Park Service, approves, as a part of and as an addendum to the existing comprehensive statewide outdoor recreation plan, a wetlands priority plan developed in consultation with the State agency with responsibility for fish and wildlife resources and consistent with the national wetlands priority conservation plan developed under section 301 of the Emergency Wetlands Resources Act or, if such national plan has not been completed, consistent with the provisions of that section¹

(e) PROJECTS FOR LAND AND WATER ACQUISITION; DEVELOPMENT.—In addition to assistance for planning projects, the Secretary may provide financial assistance to any State for the following types of projects or combinations thereof if they are in accordance with the State comprehensive plan:

- (1) ACQUISITION OF LAND AND WATERS.—For the acquisition of land, waters, or interests in land or waters, or wetland areas and interests therein as identified in the wetlands provisions of the comprehensive plan (other than land, waters, or interests in land or waters acquired from the United States for less than fair market value), but not including incidental costs relating to acquisition.

Whenever a State provides that the owner of a single-family residence may, at his option, elect to retain a right of use and occupancy for not less than six months from the date of

acquisition of such residence and such owner elects to retain such a right, such owner shall be deemed to have waived any benefits under sections 203, 204, 205, and 206 of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (84 Stat. 1984) and for the purposes of those sections such owner shall not be considered a displaced person as defined in section 101(6) of that Act.

(2) DEVELOPMENT.—For development of basic outdoor recreation facilities to serve the general public, including the development of Federal lands under lease to States for terms of twenty-five years or more: *Provided*, That no assistance shall be available under this Act to enclose or shelter facilities normally used for outdoor recreation activities, but the Secretary may permit local funding, and after the date of enactment of this proviso not to exceed 10 per centum of the total amount allocated to a State in any one year to be used for sheltered facilities for swimming pools and ice skating rinks in areas where the Secretary determines that the severity of climatic conditions and the increased public use thereby made possible justifies the construction of such facilities.

(f) REQUIREMENTS FOR PROJECT APPROVAL; CONDITION.—(1) Payments may be made to States by the Secretary only for those planning, acquisition, or development projects that are approved by him. No payment may be made by the Secretary for or on account of any project with respect to which financial assistance has been given or promised under any other Federal program or activity, and no financial assistance may be given under any other Federal program or activity for or on account of any project with respect to which such assistance has been given or promised under this Act. The Secretary may make payments from time to time in keeping with the rate of progress toward the satisfactory completion of individual projects: *Provided*, That the approval of all projects and all payments, or any commitments relating thereto, shall be withheld until the Secretary receives appropriate written assurance from the State that the State has the ability and intention to finance its share of the cost of the particular project, and to operate and maintain by acceptable standards, at State expense, the particular properties or facilities acquired or developed for public outdoor recreation use.

(2) Payments for all projects shall be made by the Secretary to the Governor of the State or to a State official or agency designated by the Governor or by State law having authority and responsibility to accept and to administer funds paid hereunder for approved projects. If consistent with an approved project, funds may be transferred by the State to a political subdivision or other appropriate public agency.

(3) No property acquired or developed with assistance under this section shall, without the approval of the Secretary, be converted to other than public outdoor recreation uses. The Secretary shall approve such conversion only if he finds it to be in accord with the then existing comprehensive statewide outdoor recreation plan and only upon such conditions as he deems necessary to assure the substitution of other recreation properties of at least equal fair market value and or reasonably equivalent usefulness and lo-

ation.¹ *Provided*, That wetland areas and interests therein as identified in the wetlands provisions of the comprehensive plan and proposed to be acquired as suitable replacement property within that same State that is otherwise acceptable to the Secretary, acting through the Director of the National Park Service, shall be considered to be of reasonably equivalent usefulness with the property proposed for conversion.

(4) No payment shall be made to any State until the State has agreed to (1) provide such reports to the Secretary, in such form and containing such information, as may be reasonably necessary to enable the Secretary to perform his duties under this Act, and (2) provide such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement and accounting for Federal funds paid to the State under this Act.

(5) Each recipient of assistance under this Act shall keep such records as the Secretary shall prescribe, including records which fully disclose the amount and the disposition by such recipient of the proceeds of such assistance, the total cost of the project or undertaking in connection with which such assistance is given or used, and the amount and nature of that portion of the cost of the project or undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(6) The Secretary, and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any books, documents, papers, and records of the recipient that are pertinent to assistance received under this Act.

(7) [Paragraph (7) was repealed by section 814(d)(1)(H) of the Omnibus Parks and Public Lands Management Act of 1996 (Public Law 104-333; 110 Stat. 4196)]

(8) With respect to property acquired or developed with assistance from the fund, discrimination on the basis of residence, including preferential reservation or membership systems, is prohibited except to the extent that reasonable differences in admission and other fees may be maintained on the basis of residence.

(g) COORDINATION WITH FEDERAL AGENCIES.—In order to assure consistency in policies and actions under this Act, with other related Federal programs and activities (including those conducted pursuant to title VII of the Housing Act of 1961 and section 701 of the Housing Act of 1954) and to assure coordination of the planning, acquisition, and development assistance to States under this section with other related Federal programs and activities, the President may issue such regulations with respect thereto as he deems desirable and such assistance may be provided only in accordance with such regulations.

(h) CAPITAL IMPROVEMENT AND OTHER PROJECTS TO REDUCE CRIME.—

(1) AVAILABILITY OF FUNDS.—In addition to assistance for planning projects, and in addition to the projects identified in subsection (e), and from amounts appropriated out of the Violent Crime Reduction Trust Fund, the Secretary may provide financial assistance to the States, not to exceed \$15,000,000,

¹ In paragraph (3), the period should not appear before the proviso.

for projects or combinations thereof for the purpose of making capital improvements and other measures to increase safety in urban parks and recreation areas, including funds to—

- (A) increase lighting within or adjacent to public parks and recreation areas;
- (B) provide emergency phone lines to contact law enforcement or security personnel in areas within or adjacent to public parks and recreation areas;
- (C) increase security personnel within or adjacent to public parks and recreation areas; and
- (D) fund any other project intended to increase the security and safety of public parks and recreation areas.

(2) **ELIGIBILITY.**—In addition to the requirements for project approval imposed by this section, eligibility for assistance under this subsection shall be dependent upon a showing of need. In providing funds under this subsection, the Secretary shall give priority to projects proposed for urban parks and recreation areas with the highest rates of crime and, in particular, to urban parks and recreation areas with the highest rates of sexual assault.

(3) **FEDERAL SHARE.**—Notwithstanding subsection (c), the Secretary may provide 70 percent improvement grants for projects undertaken by any State for the purposes described in this subsection, and the remaining share of the cost shall be borne by the State.

(3) Appropriations allotted for the acquisition of land, waters, or interests in land or waters as set forth under the headings “NATIONAL PARK SYSTEM; RECREATIONAL AREAS” and “NATIONAL FOREST SYSTEM” in paragraph (1) of this subsection shall be available therefor notwithstanding any statutory ceiling on such appropriations contained in any other provision of law enacted prior to the convening of the Ninety-fifth Congress or, in the case of national recreation areas, prior to the convening of the Ninety-sixth Congress; except that for any such area expenditures may not exceed a statutory ceiling during any one fiscal year by 10 per centum of such ceiling or \$1,000,000, whichever is greater.

(b) ACQUISITION RESTRICTION.—Appropriations from the fund pursuant to this section shall not be used for acquisition unless such acquisition is otherwise authorized by law: *Provided, however*, That appropriations from the fund may be used for preacquisition work in instances where authorization is imminent and where substantial monetary savings could be realized.

(c)(1) BOUNDARY CHANGES: DONATIONS.—Whenever the Secretary of the Interior determines that to do so will contribute to, and is necessary for, the proper preservation, protection, interpretation, or management of an area of the national park system, he may, following timely notice in writing to the Committee on Resources of the House of Representatives and to the Committee on Energy and Natural Resources of the Senate of his intention to do so, and by publication of a revised boundary map or other description in the Federal Register, (i) make minor revisions of the boundary of the area, and moneys appropriated from the fund shall be available for acquisition of any lands, waters, and interests therein added to the area by such boundary revision subject to such statutory limitations, if any, on methods of acquisition and appropriations thereof as may be specifically applicable to such area; and (ii) acquire by donation, purchase with donated funds, transfer from any other Federal agency, or exchange, lands, waters, or interests therein adjacent to such area, except that in exercising his authority under this clause (ii) the Secretary may not alienate property administered as part of the national park system in order to acquire lands by exchange, the Secretary may not acquire property without the consent of the owner, and the Secretary may acquire

property owned by a State or political subdivision thereof only by donation. Prior to making a determination under this subsection, the Secretary shall consult with the duly elected governing body of the county, city, town, or other jurisdiction or jurisdictions having primary taxing authority over the land or interest to be acquired as to the impacts of such proposed action, and he shall also take such steps as he may deem appropriate to advance local public awareness of the proposed action. Lands, waters and interests therein acquired in accordance with this subsection shall be administered as part of the area to which they are added, subject to the laws and regulations applicable thereto.

(2) For the purposes of clause (i) of paragraph (1), in all cases except the case of technical boundary revisions (resulting from such causes as survey error or changed road alignments), the authority of the Secretary under such clause (i) shall apply only if each of the following conditions is met:

(A) The sum of the total acreage of lands, waters, and interests therein to be added to the area and the total such acreage to be deleted from the area is not more than 5 percent of the total Federal acreage authorized to be included in the area and is less than 200 acres in size.

(B) The acquisition, if any, is not a major Federal action significantly affecting the quality of the human environment, as determined by the Secretary.

(C) The sum of the total appraised value of the lands, waters, and interests therein to be added to the area and the total appraised value of the lands, waters, and interests therein to be deleted from the area does not exceed \$750,000.

(D) The proposed boundary revision is not an element of a more comprehensive boundary modification proposal.

(E) The proposed boundary has been subject to a public review and comment period.

(F) The Director of the National Park Service obtains written consent for the boundary modification from all property owners whose lands, waters, or interests therein, or a portion of whose lands, waters, or interests therein, will be added to or deleted from the area by the boundary modification.

(G) The lands are adjacent to¹ other Federal lands administered by the Director of the National Park Service.

Minor boundary revisions involving only deletions of acreage owned by the Federal Government and administered by the National Park Service may be made only by Act of Congress.

¹Paragraph (2)(G) was added to section 7(c) of the Land and Water Conservation Fund Act of 1965 by section 814(b)(2)(B) of the Omnibus Parks and Public Lands Management Act of 1996 (Public Law 104-333; 110 Stat. 4194). Section 129 of Public Law 106-176 (114 Stat. 30) sought to amend paragraph (2)(G), but instead of amending section 7(c)(2)(G) of the Land and Water Conservation Fund Act of 1965, it referred to section 814(b)(2)(G) of Public Law 104-333, which doesn't exist. The amendment is as follows:

Section 814(b)(2)(G) of Public Law 104-333 is amended by striking "are adjacent to" and inserting "abut".

The report shall include site specific analyses and alternatives, in a selection of geographic environments representative of the Nation as a whole, including, but not limited to, information on needs, local capabilities for action, major site opportunities, trends, and a full range of options and alternatives as to possible solutions and courses of action designed to preserve remaining open space, ameliorate recreational deficiency, and enhance recreational opportunity for urban populations, together with an analysis of the capability of the Federal Government to provide urban-oriented environmental education programs (including, but not limited to, cultural programs in the arts and crafts) within such options. The Secretary shall consult with, and request the views of, the affected cities, counties, and States on the alternatives and courses of action identified.

SEC. 13. [16 U.S.C. 460l-10e] (a) The President shall appoint an advisory commission to review the opportunities for enhanced opportunities for water-based recreation which shall submit a report to the President and to the Committee on Energy and Natural Resources of the Senate and to the Committee on Transportation and Infrastructure and the Committee on Resources of the House of Representatives within one year from the date of enactment of this section.

This title may be cited as the “Cabin User Fee Fairness Act of 2000”.

SEC. 602. [16 U.S.C. 6201] FINDINGS.

Congress finds that—

(1) cabins located on forest land have provided a unique recreation experience to a large number of cabin owners, their families, and guests each year since Congress authorized the recreation residence program in 1915; and

(2) the fact that current appraisal procedures have, in certain circumstances, been inconsistently applied in determining fair market values for residential lots demonstrates that problems exist in accurately reflecting market values.

SEC. 603. [16 U.S.C. 6202] PURPOSES.

The purposes of this title are—

(1) to ensure, to the maximum extent practicable, that the National Forest System recreation residence program is managed to preserve the opportunity for individual and family-oriented recreation; and

(2) to develop and implement a more consistent procedure for determining cabin user fees, taking into consideration the limitations of an authorization and other relevant market factors.

- (9) LOT.—The term “lot” means a parcel of land in the National Forest System—
- (A) on which a cabin owner is authorized to build, use, occupy, and maintain a cabin and related improvements; and
- (B) that is considered to be in its natural, native state at the time at which a use of the lot described in subparagraph (A) is first permitted by the Secretary.
- (10) NATURAL, NATIVE STATE.—The term “natural, native state” means the condition of a lot or site, free of any improvements, at the time at which the lot or site is first authorized for recreation residence use by the agency.
- (11) PROGRAM.—The term “program” means the recreation residence program established under the authority of the last paragraph under the heading “FOREST SERVICE” in the Act of March 4, 1915 (38 Stat. 1101, chapter 144; 16 U.S.C. 497).

SEC. 605. [16 U.S.C. 6204] ADMINISTRATION OF RECREATION RESIDENCE PROGRAM.

The Secretary shall ensure, to the maximum extent practicable, that the basis and procedure for calculating cabin user fees results in a fee for an authorization that reflects, in accordance with this title—

- (1) the market value of a lot; and
- (2) regional and local economic influences.

SEC. 606. [16 U.S.C. 6205] APPRAISALS.

(C) the specific appraisal guidelines developed in accordance with this title;

(8) require that the appraisal report—

(A) be a full narrative report, in compliance with the reporting standards of the Uniform Standards of Professional Appraisal Practice; and

(B) should not, in most circumstances, select a sale of comparable land that includes land that is encumbered by a conservation or recreational easement that is held by a government or institution, except land that is limited to use as a site for 1 home.

(3) ADJUSTMENTS FOR TYPICAL VALUE INFLUENCES.—

(A) IN GENERAL.—The appraiser shall consider, and adjust as appropriate, the price of sales of comparable land for all typical value influences described in subparagraph (B).

(B) VALUE INFLUENCES.—The typical value influences referred to in subparagraph (A) include—

(i) differences in the locations of the parcels;

the cabin owner shall have the right to request, and, at the discretion of the Secretary, obtain a new determination of the base cabin user fee at the expense of the agency.

(B) ADJUSTMENT FOR EXCLUSION.—In a case in which any comparable sale includes utilities, access, or facilities that are to be excluded in the appraisal of the subject lot, the price of the comparable sale shall be adjusted, as appropriate.

(C) ADJUSTMENT PROCESS.—

(i) IN GENERAL.—The appraiser shall consider and adjust, as appropriate, the price of each sale of a comparable parcel for all nonnatural features referred to in subparagraph (A)(ii) that—

(I)(aa) are present at, or add value to, the comparable parcel; but

(bb) are not present at the lot being appraised; or

(II) are not included in the appraisal as described in subparagraph (A).

(ii) ADJUSTMENTS.—

(I) IN GENERAL.—In a case in which the price of a parcel sold is to be adjusted in accordance with subparagraph (B), the adjustment may be based on an analysis of market or cost information or both.

(II) COST INFORMATION.—If cost information is used as the basis of an adjustment under subclause (I), the cost information shall be supported by direct market evidence.

(iii) ANALYSIS OF COST INFORMATION.—An analysis of cost information under clause (ii)(I) should include

allowances, as appropriate, if the allowances are consistent with—

(I) the Uniform Standards of Professional Appraisal Practice in effect on the date of the analysis; and

(II) the Uniform Appraisal Standards for Federal Land Acquisition.

(D) REAPPRAISAL FOR AND RECALCULATION OF BASE CABIN USER FEE.—Periodically, but not less often than once every 10 years, the Secretary shall recalculate the base cabin user fee (including conducting any reappraisal required to recalculate the base cabin user fee).

SEC. 607. [16 U.S.C. 6206] CABIN USER FEES.

(a) IN GENERAL.—The Secretary shall establish the cabin user fee as the amount that is equal to 5 percent of the market value of the lot, as determined in accordance with section 606, reflecting an adjustment to the typical market rate of return due to restrictions imposed by the permit, including—

(1) the limited term of the authorization;

(2) the absence of significant property rights normally attached to fee simple ownership; and

(3) the public right of access to, and use of, any open portion of the lot on which the cabin or other enclosed improvements are not located.

(b) FEE FOR CARETAKER CABIN.—The base cabin user fee for a lot on which a caretaker cabin is located shall not be greater than the base cabin user fee charged for the authorized use of a similar typical lot in the tract.

(c) ANNUAL CABIN USER FEE IN THE EVENT OF DETERMINATION NOT TO REISSUE AUTHORIZATION.—If the Secretary determines that an authorization should not be reissued at the end of a term, the Secretary shall—

(1) establish as the new base cabin user fee for the remaining term of the authorization the amount charged as the cabin user fee in the year that was 10 years before the year in which the authorization expires; and

(2) calculate the current cabin user fee for each of the remaining 9 years of the term of the authorization by multiplying—

(A) $\frac{1}{10}$ of the new base cabin user fee; by

(B) the number of years remaining in the term of the authorization after the year for which the cabin user fee is being calculated.

(d) ANNUAL CABIN USER FEE IN EVENT OF CHANGED CONDITIONS.—If a review of a decision to convert a lot to an alternative public use indicates that the continuation of the authorization for use and occupancy of the cabin by the cabin owner is warranted, and the decision is subsequently reversed, the Secretary may require the cabin owner to pay any portion of annual cabin user fees that were forgone as a result of the expectation of termination of use and occupancy of the cabin by the cabin owner.

(e) TERMINATION OF FEE OBLIGATION IN LOSS RESULTING FROM ACTS OF GOD OR CATASTROPHIC EVENTS.—On a determination by

the agency that, because of an act of God or a catastrophic event, a lot cannot be safely occupied and the authorization for the lot should accordingly be terminated, the fee obligation of the cabin owner shall terminate effective on the date of the occurrence of the act or event.

SEC. 608. [16 U.S.C. 6207] ANNUAL ADJUSTMENT OF CABIN USER FEE.

(a) **IN GENERAL.**—The Secretary shall adjust the cabin user fee annually, using a rolling 5-year average of a published price index in accordance with subsection (b) or (c) that reports changes in rural or similar land values in the State, county, or market area in which the lot is located.

(b) **INITIAL INDEX.**—

(1) **IN GENERAL.**—For the period of 10 years beginning on the date of enactment of this title, the Secretary shall use changes in agricultural land prices in the appropriate State or county, as reported in the Index of Agricultural Land Prices published by the Department of Agriculture, to determine the annual adjustment to the cabin user fee in accordance with subsections (a) and (d).

(2) **STATEWIDE CHANGES.**—In determining the annual adjustment to the cabin user fee for an authorization located in a county in which agricultural land prices are influenced by the criteria described in section 606(b)(2), the Secretary shall use average statewide changes in the State in which the lot is located.

(c) **NEW INDEX.**—

(1) **IN GENERAL.**—Not later than 10 years after the date of enactment of this title, the Secretary may select and use an index other than the method of adjustment of a cabin user fee described in subsection (b)(2) to adjust a cabin user fee if the Secretary determines that a different index better reflects change in the value of a lot over time.

(2) **SELECTION PROCESS.**—Before selecting a new index, the Secretary shall—

(A) solicit and consider comments from the public; and

(B) not later than 60 days before the date on which the Secretary makes a final index selection, submit any proposed selection of a new index to—

(i) the Committee on Resources of the House of Representatives; and

(ii) the Committee on Agriculture, Nutrition, and Forestry of the Senate.

(d) **LIMITATION.**—In calculating an annual adjustment to the base cabin user fee as determined by the initial index described in section (b), the Secretary shall—

(1) limit any annual fee adjustment to an amount that is not more than 5 percent per year when the change in agricultural land values exceeds 5 percent in any 1 year; and

(2) apply the amount of any adjustment that exceeds 5 percent to the annual fee payment for the next year in which the change in the index factor is less than 5 percent.

SEC. 609. [16 U.S.C. 6208] PAYMENT OF CABIN USER FEES.

(a) **DUE DATE FOR PAYMENT OF FEES.**—A cabin user fee shall be prepaid annually by the cabin owner.

(b) **PAYMENT OF EQUAL OR LESSER FEE.**—If, in accordance with section 607, the Secretary determines that the amount of a new base cabin user fee is equal to or less than the amount of the current base cabin user fee, the Secretary shall require payment of the new base cabin user fee by the cabin owner in accordance with subsection (a).

(c) **PAYMENT OF GREATER FEE.**—If, in accordance with section 607, the Secretary determines that the amount of a new base cabin user fee is greater than the amount of the current base cabin user fee, the Secretary shall—

(1) require full payment of the new base cabin user fee in the first year following completion of the fee determination procedure if the increase in the amount of the new base cabin user fee is not more than 100 percent of the current base cabin user fee; or

(2) phase in the increase over the current base cabin user fee in approximately equal increments over 3 years if the increase in the amount of the new base cabin user fee is more than 100 percent of the current base cabin user fee.

(c) **REQUEST FOR RECONSIDERATION OF BASE CABIN USER FEE.**—A cabin owner shall submit to the Secretary any request for reconsideration of the base cabin user fee, based on the results of the second appraisal, not later than 60 days after the receipt of the report for the second appraisal.

(d) **RECONSIDERATION OF BASE CABIN USER FEE.**—On receipt of a request from the cabin owner under subsection (c) for reconsider-

ation of a base cabin user fee, not later than 60 days after the date of receipt of the request, the Secretary shall—

- (2) review the results and commentary from the second appraisal;
- (3) determine a new base cabin user fee in an amount that is—

(b) **SPECIAL RULE FOR ALASKA.**—In determining a cabin user fee in the State of Alaska, the Secretary shall not establish or impose a cabin user fee or a condition affecting a cabin user fee that is inconsistent with 1303(d) of the Alaska National Interest Lands Conservation Act (16 U.S.C. 3193(d)).

SEC. 613. [16 U.S.C. 6212] REGULATIONS.

the Secretary shall charge the cabin owner, in addition to the annual fee that would otherwise have been due under section 609, the difference between the base cabin user fee determined through the conduct of the new appraisal or peer review and the annual fee that would otherwise have been due under section 609, to be assessed retroactively for each year beginning with the year in which the previous appraisal was conducted, and to be paid in 3 equal annual installments.

I. National Forest Organizational Camp Fee Improvement Act of 2003

Title V of the Department of the Interior and Related Agencies Appropriations Act, 2003 (division F of Public Law 108–107; 117 Stat. 294)

TITLE V—NATIONAL FOREST ORGANIZATIONAL CAMP FEE IMPROVEMENT ACT OF 2003

SEC. 501. [16 U.S.C. 6231 note] SHORT TITLE.

This title may be cited as the “National Forest Organizational Camp Fee Improvement Act of 2003”.

SEC. 502. [16 U.S.C. 6231] FINDINGS, PURPOSE, AND DEFINITIONS.

(a) **FINDINGS.**—Congress finds the following:

(1) Organizational camps, such as those administered by the Boy Scouts, Girl Scouts, and faith-based and community-based organizations, provide a valuable service to young people, individuals with a disability, and their families by promoting physical, mental, and spiritual health through activities conducted in a natural environment.

(2) The 192,000,0000 acres of national forests and grasslands of the National Forest System managed for multiple uses by the Forest Service provides an ideal setting for such organizational camps.

(3) The Federal Government should charge land use fees for the occupancy and use of National Forest System lands by such organizational camps that, while based on the fair market value of the land in use, also recognize the benefits provided to society by such organizational camps, do not preclude the ability of such organizational camps from utilizing these lands, and permit capital investment in, and maintenance of, camp facilities by such organizational camps or their sponsoring organizations.

(4) Organizational camps should—

(A) ensure that their facilities meet applicable building and safety codes, including fire and health codes;

(B) have annual inspections as required by local law, including at a minimum inspections for fire and food safety; and

(C) have in place safety plans that address fire and medical emergencies and encounters with wildlife.

(b) **PURPOSE.**—It is the purpose of this Act to establish a land use fee system that provides for an equitable return to the Federal Government for the occupancy and use of National Forest System lands by organizational camps that serve young people or individuals with a disability.

(c) **DEFINITIONS.**—In this Act:

(1) The term “organizational camp” means a public or semipublic camp that—

(A) is developed on National Forest System lands by a nonprofit organization or governmental entity;

(B) provides a valuable service to the public by using such lands as a setting to introduce young people or individuals with a disability to activities that they may not otherwise experience and to educate them on natural resource issues; and

(C) does not have as its primary purpose raising revenue through commercial activities.

(2) The term “Secretary” means the Secretary of Agriculture, acting through the Chief of the Forest Service.

(3) The term “individual with a disability” has the meaning given the term in section 7(20) of the Rehabilitation Act of 1973 (29 U.S.C. 705(20)).

(4) The term “children at risk” means children who are raised in poverty or in single-parent homes or are subject to such circumstances as parental drug abuse, homelessness, or child abuse.

(5) The term “change in control” means—

(A) for a corporation, the sale or transfer of a controlling interest in the corporation;

(B) for a partnership or limited liability company, the sale or transfer of a controlling interest in the partnership or limited liability company; and

(C) for an individual, the sale or transfer or an organizational camp subject to this Act to another party.

SEC. 503. [16 U.S.C. 6232] FEES FOR OCCUPANCY AND USE OF NATIONAL FOREST SYSTEM LANDS AND FACILITIES BY ORGANIZATIONAL CAMPS.

(a) **LAND USE FEE.—**

(1) **PERCENTAGE OF LAND VALUE.—**The Secretary shall charge an annual land use fee for each organizational camp for its occupancy and use of National Forest System lands equal to 5 percent of the product of the following:

(A) The total number of acres of National Forest System lands authorized for the organizational camp.

(B) The estimated per-acre market value of land and buildings in the county where the camp is located, as reported in the most recent Census of Agriculture conducted by the National Agricultural Statistics Service.

(2) **ANNUAL ADJUSTMENT.—**The land use fee determined under paragraph (1) for an organizational camp shall be adjusted annually by the annual compounded rate of change between the two most recent Censuses of Agriculture.

(3) **REDUCTION IN FEES.—**

(A) **TYPE OF PARTICIPANTS.—**The Secretary shall reduce the land use fee determined under paragraph (1) proportionate to the number of individuals with a disability and children at risk who annually attend the organizational camp.

(B) **TYPE OF PROGRAMS.—**After making the reduction required by subparagraph (A), the Secretary shall reduce

the remaining land use fee amount by up to 60 percent, proportionate to the number of persons who annually attend the organizational camp who participate in youth programs through organized and supervised social, citizenship, character-building, or faith-based activities oriented to outdoor-recreation experiences.

(C) RELATION TO MINIMUM FEE.—The reductions made under this paragraph may not reduce the land use fee for an organizational camp below the minimum land use fee required to be charged under paragraph (4).

(D) SPECIAL CONSIDERATIONS.—For purposes of determining the amount of the land use fee reduction required under subparagraph (A) or (B), the Secretary may not take into consideration the existence of sponsorships or scholarships to assist persons in attending the organizational camp.

(4) MINIMUM LAND USE FEE.—The Secretary shall charge a minimum land use fee under paragraph (1) that represents, on average, the Secretary's cost annually to administer an organizational camp special use authorization in the National Forest Region in which the organizational camp is located. Notwithstanding paragraph (3) or subsection (d), the minimum land use fee shall not be subject to a reduction or waiver.

(b) FACILITY USE FEE.—

(1) PERCENTAGE OF FACILITIES VALUE.—If an organizational camp uses a Government-owned facility on National Forest System lands pursuant to section 7 of the Act of April 24, 1950 (commonly known as the Granger-Thye Act; 16 U.S.C. 580d), the Secretary shall charge, in addition to the land use fee imposed under subsection (a), a facility use fee equal to 5 percent of the value of the authorized facilities, as determined by the Secretary.

(2) REDUCTION IN FEES PROHIBITED.—Notwithstanding subsection (d), the facility use fees determined under paragraph (1) shall not be subject to a reduction or waiver.

(c) FEE RELATED TO RECEIPT OF OTHER REVENUES.—If an organizational camp derives revenue from the use of National Forest System lands or authorized facilities described in subsection (b) for purposes other than to introduce young people or individuals with a disability to activities that they may not otherwise experience and to educate them on natural resource issues, the Secretary shall charge, in addition to the land use fee imposed under subsection (a) and the facility use fee imposed under subsection (b), an additional fee equal to 5 percent of that revenue.

(d) WORK-IN-LIEU PROGRAM.—Subject to subsections (a)(4) and (b)(2), section 3 of the Federal Timber Contract Payment Modification Act (16 U.S.C. 539f) shall apply to the use fees imposed under this section.

SEC. 504. [16 U.S.C. 6233] IMPLEMENTATION.

(a) PROMPT IMPLEMENTATION.—The Secretary shall issue direction regarding implementation of this Act by interim directive within 180 days after the date of the enactment of this Act. The Secretary shall implement this Act beginning with the first billing

cycle for organizational camp special use authorizations occurring more than 180 days after the date of the enactment of this Act.

(b) PHASE-IN OF USE FEE INCREASES.—In issuing any direction regarding implementation of this Act under subsection (a), the Secretary shall consider whether to phase-in any significant increases in annual land or facility use fees for organizational camps.

SEC. 505. [16 U.S.C. 6234] RELATIONSHIP TO OTHER LAWS.

Except as specifically provided by this Act, nothing in this Act supersedes or otherwise affects any provision of law, regulation, or policy regarding the issuance or administration of authorizations for organizational camps regarding the occupancy and use of National Forest System lands.

SEC. 506. [16 U.S.C. 6235] DEPOSIT AND EXPENDITURE OF USE FEES.

(a) DEPOSIT AND AVAILABILITY.—Unless subject to section 7 of the Act of April 24, 1950 (commonly known as the Granger-Thye Act; 16 U.S.C. 580d), use fees collected by the Secretary under this Act shall be deposited in a special account in the Treasury and shall remain available to the Secretary for expenditure, without further appropriation until expended, for the purposes described in subsection (c).

(b) TRANSFER.—Upon request of the Secretary, the Secretary of the Treasury shall transfer to the Secretary from the special account such amounts as the Secretary may request. The Secretary shall accept and use such amounts in accordance with subsection (c).

(c) USE.—Use fees deposited pursuant to subsection (a) and transferred to the Secretary under subsection (b) shall be expended for monitoring of Forest Service special use authorizations, administration of the Forest Service's special program, interpretive programs, environmental analysis, environmental restoration, and similar purposes.

SEC. 507. [16 U.S.C. 6236] MINISTERIAL ISSUANCE, OR AMENDMENT AUTHORIZATION.

(a) NEPA EXCEPTION.—The ministerial issuance or amendment of an organizational camp special use authorization shall not be subject to the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

(b) RULE OF CONSTRUCTION.—For purposes of subsection (a), the ministerial issuance or amendment of an authorization occurs only when the issuance or amendment of the authorization would not change the physical environment or the activities, facilities, or program of the operations governed by the authorization, and at least one of the following apply:

(1) The authorization is issued upon a change in control of the holder of an existing authorization.

(2) The holder, upon expiration of an authorization, is issued a new authorization.

(3) The authorization is amended—

(A) to effectuate administrative changes, such as modification of the land use fee or conversion to a new special use authorization form; or

(B) to include nondiscretionary environmental standards or to conform with current law.
