

**2<sup>nd</sup> Meeting of the Stakeholder Advisory Group to consider changes to the  
Endangered Resources Review Program**

Wednesday November 5, 2008 from 10:00 a.m. – noon  
Room G09, of the State Natural Resources Building (GEF 2),  
101 S. Webster St., Madison.

**Agenda:**

1. Welcome and Introductions (10:00-10:20)
2. Presentation: Preliminary Summary of Potential Changes to Services Provided by the Endangered Resources Review Program in Response to Stakeholder Requests (10:20-10:45)
3. Gather input through small group discussions (10:45 – 11:45):
  - Describe your vision for a Review Program that would best meet your needs and those of the organization and/or constituents with whom you work.
  - Do the potential changes to Review Program services that we've outlined adequately address the issues that you were concerned with?
  - Which broad areas and/or types of change do you see as most important to reaching your goals for the program?
  - Are there additional changes that you would like to see?
  - In light of the staff time, costs and other considerations associated with implementing the individual improvements outlined in the document, what do you suggest as a strategy for moving forward in the near term? In other words, what areas of change would you like to see us pursue first?
  - Other suggestions, concerns, or guidance for us as we continue through this process?
4. Questions, observations, next steps (11:45 – 12:00)
