

Meeting of the Stakeholder Advisory Group to consider changes to the Endangered Resources Review Program

Wednesday September 10, 2008 from 10:00 a.m. – noon
Room G09, of the State Natural Resources Building (GEF 2),
101 S. Webster St., Madison.

Agenda:

1. Welcome and Introductions (10:00-10:20)
2. Presentation on Endangered Resources Review Program and redesign process (10:20-10:45)
3. Gather input via smaller group discussions: How could the program better serve our customers and partners? Identify priority needs and services, gather suggestions for improving services and tools currently offered, and consider possible additional services and tools (10:45 – 11:45)
4. Questions, observations, next steps (11:45 – 12:00)

Please contact me anytime with questions, suggestions, or concerns:
