

# Willow River State Park – 2011 Hunting

## Deer Hunting Seasons

The park allows deer hunting during the gun season November 19 - 27, 2011, and the late archery season November 19, 2011 - January 8, 2012. Archers are required to meet blaze orange requirements November 19 – 27, 2011, when the gun season is open. Willow River State Park is within Herd Control Unit 60M. Unlimited antlerless deer carcass tags are available for purchase at any license vendor for use in any Herd Control Unit. The park is not open for hunting in the early archery season, the muzzleloader season, or the October or December antlerless gun seasons.

## Closed Areas

It is illegal to have an uncased or loaded firearm or bow in the closed areas of the park. There will likely be numerous non-hunters using the areas that are closed to hunting. If a wounded deer enters into an area closed to hunting, please call the park office, (715) 386-5931, or St. Croix County Dispatch, (715) 386-4701 before entering the area. You cannot take your firearm or bow into the closed area. You can only track and retrieve the carcass from the closed area.

## Hours

The park is open from 6 a.m. to 11 p.m. Hunters may enter the park no earlier than 1 hour before the opening of hunting hours. Gun deer and late bow hunting hours are ½ hour before sunrise to 20 minutes after sunset.

## Tree Stands

Portable tree stands may be used as long as they are removed from the property each day at the close of hunting hours. There should be no damage to the tree from the placement of a portable tree stand or by any other manner while climbing or hunting from a tree.

## Trespass

The park map shows where the private property is located. Please be respectful and keep off of private property.

## Hunting Rules and Regulations

Consult the 2011 Wisconsin Deer Hunting Regulations or call the Baldwin DNR Service Center, (715) 684-2914. To report violations please call (800) TIP-WDNR.
