Rangers must be informed by the hunter of the location of any wounded animal within the closed area. Rangers will evaluate the situation and may authorize the hunter to recover the deer.

All parking and traffic regulations apply during the hunting seasons. Vehicles shall be operated only on established roads, and parking permitted only in established lots.

Admission stickers are required on all vehicles that enter the Cadiz Springs Recreation Area. Admission stickers must be obtained prior to using the area. Admission stickers can be obtained from the park office at any time. When the office is unstaffed use the self-registration box.
