

## Your Outdoor Surroundings

3. What does minimal Impact mean? How could you practice this on an outdoor trip?

---

---

4. What are some ways you could help the environment?

---

---

---

5. Learn an outdoor hobby. List that hobby here; \_\_\_\_\_

6. Classify objects you find on your nature hike. Use the following list of words to describe these objects:

Shape

Size

Texture

Directions (right, left, up, etc.)

In relation to (parallel to, horizontal to, etc.)

Color

7. Learn about a career that is spent mostly outdoors. Talk to a woman in that career. The career I learned about was; \_\_\_\_\_

9. Take a nature hike. See requirement #6.
