The Problem:

Above items and deadlines are numerous throughout the year causing forgotten deadlines and/or multiple trips to license outlets.

BE IT RESOLVED, that the Conservation Congress at it's annual meeting held in Door County on April 14, 2008 recommend that the Conservation Congress request the DNR Board to direct the Department to correct this situation by making available all above type items along with a separate listing of deadline dates for the coming year beginning with sales of licenses in March at all license outlets.
