DNR REQUIRES 6 HOURS OF CONTINUING EDUCATION ANNUALLY

Every site (including the WWA Ground Water Conference) offers all 6 hours of credit during the same day. Four hours are offered for morning classes and two hours for the afternoon (classes follow a different schedule both days in Lake Delton). Several other options for the two credit hours are listed on pp 6-7. However, the core four credit hours must be obtained by attending a class shown on one of the maps.
