

Watershed Planning Workshop Agenda - September 2007

9:00 - 9:30 am **Overview/Introduction**
Introduction, workshop purpose and big picture view, logistics, review of agenda.

Watershed planning brochure, introduction to Watershed Planning Network concept.

1. <http://dnr.wi.gov/org/water/watersheds/planning/>

9:30 - 10:30 am **Watershed Planning Approaches/Partnerships**
What is WDNR's new planning approach?
What is WDNR's role/priorities in watershed planning?
What tools do we have to support planning?

2. <http://dnr.wi.gov/org/water/watersheds/workshop/dnrplanning.htm>

WATERS database demo.

3. <http://prodoasjava.dnr.wi.gov/wadrs/> (user id: READ, password: ONLY)

10:30 - 10:45 am **BREAK**

10:45 am - noon **Surface Water Data Viewer (SWDV) Database**

How to access key data for watershed/lake planning.

4. <http://dnrmaps.wisconsin.gov/imf/imf.jsp?site=SurfaceWaterViewer>

Practice exercises.

How to access/download or request additional GIS applications and statewide data sources.

5. http://dnr.wi.gov/org/water/watersheds/planning/internet_gisdata.htm

A variety of frequently-requested statewide "static" DNR GIS data holdings are available for download from a DNR FTP site:

6. <ftp://dnrftp01.wi.gov/geodata/>

County Boundaries	24K Landnet:
DNR GMUs	Landtype Associations
DNR Regions	Stewardship/Managed Lands
DNR Stewardship Grant Acquisition Layers	Original Vegetative Cover
DRGs (100k), DRGs (250k)	Quad Index
Elevation	Wisconsin State Outline
Forestry	Bear, Deer, Turkey Hunting Zones
Groundwater layers	
Hydrolayer (Streams, Open Water, etc.)	
WISCLAND	

Access “tabular” data from a wide range of sources for planning purposes:

7. <http://dnr.wi.gov/org/water/watersheds/planning/inventory/dataresources.htm>

noon - 1 pm **LUNCH**

1:00 - 2:30 pm **Surface Water Integrated Monitoring System (SWIMS) Database**
Find and download monitoring data, reports, grant reporting.

8. <http://prodoasjava.dnr.wi.gov/swims/> (user id: READ, password: ONLY)

2:30 - 2:45 pm **BREAK**

2:45 - 3:05 pm **Dynamic Web Pages**
Prototype of dynamic web pages for lakes.

9. http://dnr.wi.gov/org/water/fhp/lakes/lakesdatabase/new_lake_portal_ideas/lakes.htm

3:05 - 3:30 pm **Practice Exercises**

3:30 - 4:00 pm **Group Discussion/Evaluation.**
