

MASTER OPERATOR CLASS & EXAM NOTICE

November 2013

Subject: Class and exam for Septage Servicing Master Operator Certification

The next septage Master Operator class and exam, required in order to hold a Master Operator certificate and in order to be designated an Operator-in-Charge (OIC) under ch. NR 114.18, is scheduled for Thursday November 14, 2013. Onsite registration begins at 9:30 and the class will begin at 10:00 am.

The general Master Operator class will run for three hours followed by an exam. There will be a short break followed by a class and exam specifically geared towards Grade L operators. Exams will test operators on concepts covered during class, therefore, class attendance is mandatory.

This course is approved for compliance continuing education credits.

This event will be held at the **Charles M. White Portage County Library** located in downtown Stevens Point, WI (map and directions attached).

Fees:

Class attendance fee is \$75

Master Operator exam fee is \$100

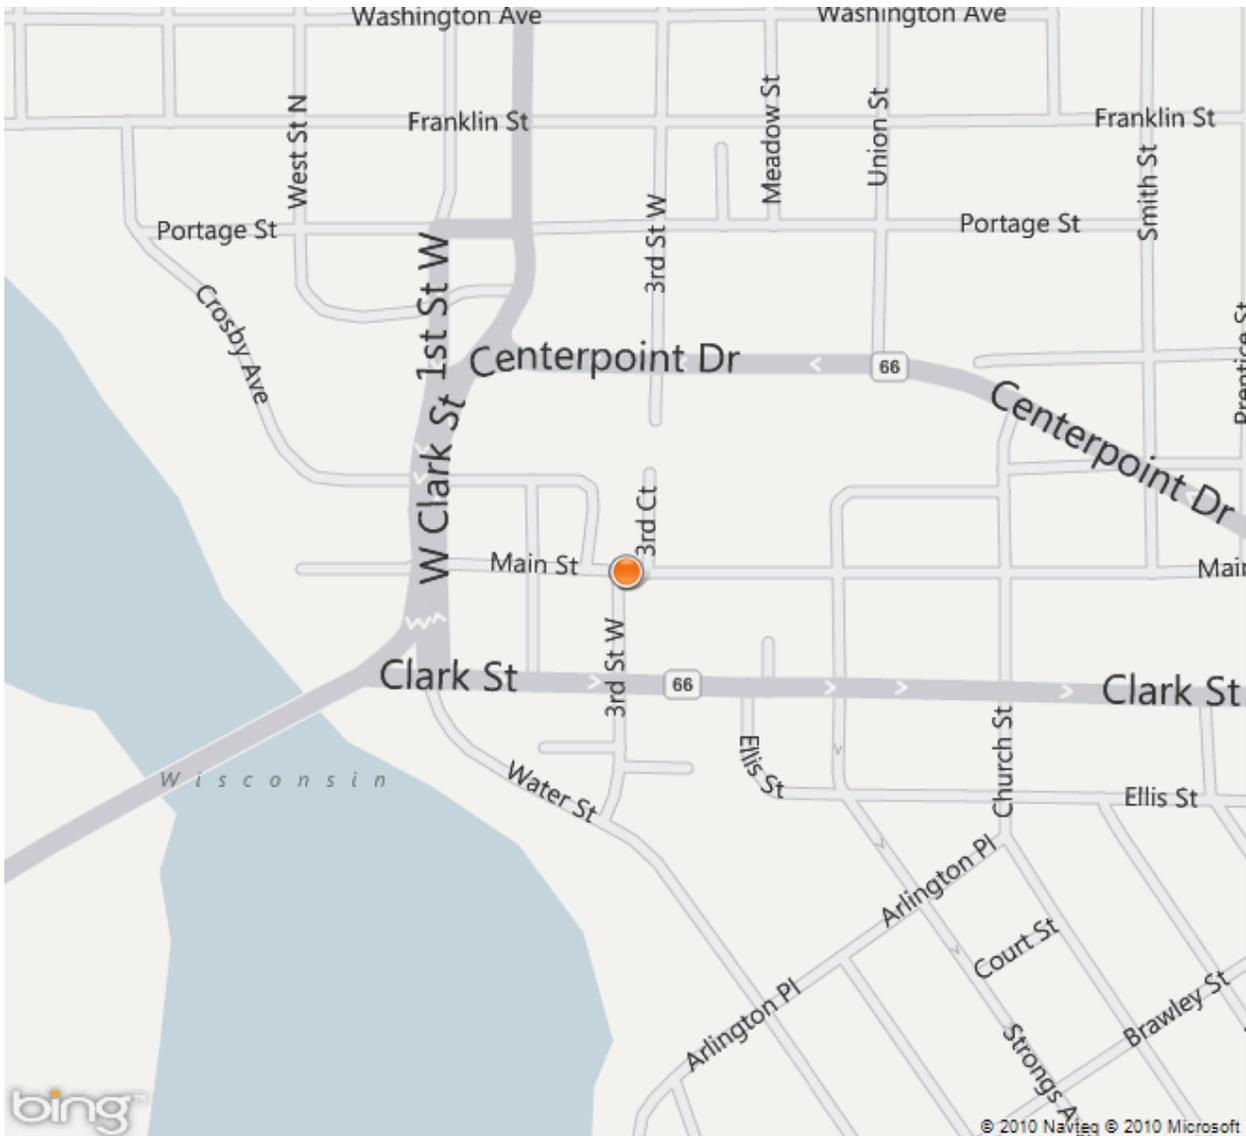

We will accept checks or money orders made payable to the WI DNR.

There is no pre-registration for this event.

If you have any questions, you may contact your local DNR representative.
