

Patronize Your Canteen!

Some enrollees of this camp are not buying from the canteen and are advising others not to buy. They are against buying from the canteen because two men from the company are detailed each night to sweep the canteen. This is cutting off your nose to spite your face. The benefits derived from the canteen fund are great. Every cent is used for the benefit of each enrollee in camp. It pays for the camp newspaper, home town newspapers, magazines, boxing gloves, basketball suits, baseball equipment, snowshoes, and toboggans. It buys lumber, nails and cement for the various buildings. Buying from the canteen also helps the mess. A dividend can be declared to the company fund for the purpose of strengthening the mess fund. That's one reason why this camp is rated the best camp for mess in two areas.

Remember! The reason two men sweep the canteen is because everyone throws cigarette butts, wrappers, etc., around in the canteen. How many clean their feet before they enter the canteen?

Get some camp spirit--support the canteen, the camp paper, and all athletic activities.

By getting more of the men interested in the educational program. By encouraging more of the men to take an active part in publishing the camp paper.
