

### Have You A Hobby?

That is a question that should concern everyone of us. Before going into the discussion of various hobbies let us first make the word hobby clear. Hobby according to Webster means a side-line avocation. One's favorite avocation. Pursuit during leisure time.

With the meaning clear, the question arises--What can I use as my hobby? That can be easily answered when you analyze the hobby thoroughly as to its possibilities. Would you be interested in it?

A great man with a great mind once said, "Sad indeed is the plight of a man who has no hobby to turn his thoughts to."

When one pursues a hobby such as radio collecting, writing for the camp paper, etc., it tends to occupy the mind with the better things in life and makes one forget to "gripe". Every man in this company should enter some hobby. Its opportunities are unlimited. We have a camp paper and will gladly welcome you to the staff. We have athletics and a short wave radio course. In winter months we will be sponsoring dramatics, ping pong and pool.

Men working in the field who come in contact with any oddities of nature would be wise to procure them.

Each hobby is a moral builder.

### Schantz To Teach Forestry

Alphonse Schantz is the new instructor in forestry. He will conduct classes several nights a week. About fifteen men have enrolled in this class which should prove the most interesting subject in camp.

---

### New Basement

Enrollees of this camp have recently completed building a basement in the ranger station near Stiles, Wisconsin, near the Oconto Fire Tower. This work was under the supervision of the Rangers from the Pound Ranger Station. The work completed by enrollees of this company was highly commendable.

---

### Tree Planting

The tree planting season ended about three weeks ago with enrollees of Camp Grivitz planting about two million trees, a very good record for any camp.

---

### Fire Lanes

Most of the men are brushing out fire lanes which will greatly improve the scenic wonderland that is typical of this section of Wisconsin.
