DAM SAFETY WORKSHOP

MAY 19, 2015 - JEFFERSON
MAY 20, 2015 - GREEN BAY
MAY 21, 2015 - EAU CLAIRE

The Wisconsin Department of Natural Resources in conjunction with the Association of State Dam Safety Officials (ASDSO), invites you to participate in a one day workshop titled *Dam Safety Workshop - Beyond Inspections*. The focus of this year's workshop is to educate dam owners, operators and engineering consultants about dam transfers, dam failure analyses, dam inspections and recordkeeping. Time is set aside at the end of the day to provide an opportunity for dam owners/operators/consultants to meet one-on-one with DNR Dam Safety staff.

The cost of the workshop is \$25.00 and includes lunch and breaks. Wisconsin Registered Professional Engineers can earn up to 5.5 Professional Development Hours by attending the entire workshop.

Attendees will receive a CD with course materials and other information related to dam safety, IOMs, EAPs, permitting and inspections.

Questions regarding registration, please contact ASDSO at (859) 550-2788.

Questions concerning workshop content materials, etc. contact WDNR at DNRDAMSAFETY@wisconsin.gov.

ASDSO is a national, non-profit professional association of engineers and others who own, regulate, or work on dams. For more information about ASDSO, refer to its website at www.damsafety.org or call (859) 550-2788.
