ON THE FAMOUS
CHIPPEWA FLOWAGE

Hayward Bass Club to Hold Free Youth Tournament August 18

Our Hayward Bass Club will be holding this year's annual Free Youth Bass Tournament Sunday August 18th at The Landing on The Chippewa Flowage. Bass Club members, local professional guides, and avid anglers will be taking the youth out on the water for an afternoon of fun, friendly bass fishing and competition. Youth will fish catch-and-release style just like the pros and hold their largest three fish in the livewells to bring to the weigh-in. Participants may bring their own favorite bass hunting tackle or use gear provided by the club and guides. After the weigh-in, a shore lunch will be served to participants, families, guides and spectators. Prizes will be awarded to all participants and the leader board will be revealed after the meal.

This event is made possible by the generosity of local bass anglers and our major sponsors, Outdoor Creations, Tom Duffy Jr Law Office, S.C.O.P.E., Hayward Bait and Bottle Shop, Muskies Inc., and The Landing Resort. Local youth fishing legacy advocate Frank Pratt will be on hand throughout the day teaching youth how to make dynamite bass lures.
