The Wisconsin Department of Natural Resources provides equal opportunity in its employ-

flammable materials like brush piles, A pile of cured firewood and other flammable materials are kept at least 30 feet from buildings. Not applicable.

Also prepare your homes for wildfire. Tanks are free of com-
surrounding area from the home. The area around this propane other flammable material.

That's why preparing your home house. A windblown ember which your yard may prevent a surface burning is legal in most places, let's face it… Wisconsin. Using fire as a method to dispose of veg-

in your garden. It makes a great fertilizer!

The Department of Natural Resources (DNR) bill will the costs for all resources and personnel used in the landscape and it escapes and starts a wildfire, you Let's face it, wildfires are costly. If you set fire to

it to become a forest fire, shall be liable for all expense incurred in the suppression of the fire by the state. The DOR will be the only State agency that will establish

directly to the landowner or contribute their services by committee members to create and functions under an Affirmative Action Plan. If you have
