

*"To exist as a nation,
to prosper as a state,
and to live as people,
we must have trees."*

-Theodore Roosevelt

Great Forests

- Nearly half the state is forested — over 15 million acres
- Largest family forest certification program in North America
- Sixteen types of ecological landscapes with distinct forest characteristics
- National leader in forest products — #1 paper-making state for over 50 years
- Practicing sustainable forestry by growing almost double the volume of wood removed annually

Great Employment

- Great benefits — choice of providers, generous coverage, affordable rates
- Professional development and career growth — exceptional on-going training, mentorship, and continuing education
- IT tools — up-to-date equipment and enhanced field applications
- Organizational culture — team-based, family friendly, professional and fun, with positive employee/management relations

Great Life

- Superior quality of life — diverse geography, clean environment, and four seasons
- Exceptional standard of living with costs well below the national average
- Highly desirable environment for both work and recreation
- Rich wildlife diversity of game and non-game species

Great Future

- Stable funding, strong visionary leadership
- Multiple career tracks
- Leadership and advancement opportunities

Stewards of the Forest

The Wisconsin Department of Natural Resources provides equal opportunity in its employment, programs, services, and functions under an Affirmative Action Plan. If you have any questions, please write to Equal Opportunity Office, Department of Interior, Washington, D.C. 20240. This publication is available in alternative format (large print, Braille, audiotape etc.) upon request. Please call 608/267-7494 for more information.
