### Bosch PAUD Targets and Objectives 2011

1. Continue improvement projects centered on eliminating the paint related hazardous waste. This waste contains barium - that is contained in our base paint. This project is chartered as an A3.
2. Achieve a 12% reduction in the relative CO2 emissions from base year 2007. Base year calculation is 90.8 Goal for 2011 is 79.9. This will be charted on C/PS Enablon (Bosch database).
