Dear Mr. McLeod:

Following the audit of your company's Environmental Management System, we are pleased to inform you that the system in operation conforms to the requirements of ISO 14001:2004. Based on the recommendation of the audit team and a review of the audit documents, SGS is proud to issue ***Federal Foam Technologies*** a Certificate of Registration.

As a company registered by SGS, you will be entitled to apply the appropriate SGS registration mark to letter headings and publicity material. The document that is on the enclosed diskette titled *The Use of Registration Marks*, June 2003, Version 4, defines the requirements that apply regarding the use of the SGS and ANAB marks. We encourage you to read it carefully and share it with the appropriate departments in your organization. Also on the diskette are appropriate logos, sample marketing letters, and a web link offer. For a look at our company Boutique, please log on to our website [www.ics.sgsna.com](http://www.ics.sgsna.com) and click on "order online". If you have any questions, please do not hesitate to contact us.

We take this opportunity to congratulate ***Federal Foam Technologies*** and look forward to a long and mutually beneficial relationship between our two organizations.

Thanks for your business!

Yours sincerely,
