

## File#- FI 1184– Langlade County 15.9 acres

The Department acquired this property for \$11,200 in 1974. The property has a 0.82 acre spring pond, named King Spring, and a 0.32 acre unnamed spring pond. Hunting Creek, a class one and two trout stream runs through the southern portion of the property with approximately 385 feet of two bank frontage. This is high quality spring pond and trout water and is the headwaters to Hunting River. Continued management costs are minimal for continued property inspections and law enforcement patrols.

The property is accessible by the public through both Moccasin Lake Road and Enterprise Lake Road. The parcel is used by the public for fishing and hunting.

The Department recommends retaining this parcel.
