

File# FP 4 C – Douglas County 2.5 Acres

The Department purchased this property in 1935 for \$167. This property supports buildings and access for the Gordon Ranger Station, as well as a heavy unit equipment garage building and a historic CCC storage building. The property also provides access to the St. Croix River and has a small dock used by the public for fishing. This property was identified during analysis as it was a small acreage adjacent to county forest. Upon further inspection, as it is a ranger station currently being used, the recommendation is to not sell.

The Department recommends retaining this parcel.
