

## File G 2518 E—Jefferson County 2.36 Acres

The Department acquired this access easement as a part of a larger 10 acre acquisition for \$450 in 1970. The parcel is a part of the Scattered Wildlife project and is located in the Town of Waterloo in Jefferson County. The easement was acquired to provide access from Airport Road to the parcels to the east which have been recommended for retention due to habitat and recreational use

The Department has not made significant investments in infrastructure or habitat improvements on the easement.

The Department recommends retaining this parcel.
